in this book thomas merton presents an interesting and lucid exploration of the function of the bible in contemporary society the author is particularly concerned with the bible as a dialogue between god and man with the bible s relevance for the large number of people who challenge its fundamental truth and with modern attitudes to the bible s ethical and moral teachings his approach is fresh and lively he discusses the attitudes of writers and thinkers as diverse as dietrich bonhoeffer erich fromm pasolini william faulkner and marx as well as the scriptural writings of other world religions such as judaism buddhism and confucianism

although many catholics are familiar with the four gospels and other writings of the new testament for most reading the old testament is like walking into a foreign land who wrote these forty six books when were they written why were they written what are we to make of their laws stories histories and prophecies should the old testament be read by itself or in light of the new testament john bergsma and brant pitre offer readable in depth answers to these questions as they introduce each book of the old testament they not only examine the literature from a historical and cultural perspective but also interpret it theologically drawing on the new testament and the faith of the catholic church unique among introductions this volume places the old testament in its liturgical context showing how its passages are employed in the current lectionary used at mass accessible to nonexperts this thorough and up to date introduction to the old testament can serve as an idea textbook for biblical studies its unique approach along with its maps illustrations and other reference materials makes it a valuable resource for seminarians priests scripture scholars theologians and catechists as well as anyone seeking a deeper understanding of the bible

having been a teetotaler for more than thirty years the author s personal habits associations and sympathies have all been in favor of the unfermented theory but the facts encountered in the present investigation have constrained him reluctantly to conclude that so far as the wines of the ancients are concerned unfermented wine is a myth preface

in this distinctive textbook for hebrew bible courses author tzvi novick s approach is thematic rather than chronological sorting the books according to their historical context theological claims and literary conventions novick examines and elucidates the historical and intellectual development of the hebrew bible with attentiveness to both historical critical and traditional canonical approaches an introduction to the scriptures of israel focuses on the dichotomy of the particular and the universal it shows how this dichotomy impacts each book s style and content and how it informs the development of jewish and christian traditions this nontraditional textbook is coherent engaging and succinct a perfect resource for any introductory hebrew bible course contents preface abbreviations 1 three introductions 2 the wisdom tradition religion without revelation 3 revelation and love the patriarchal narratives and the song of songs 4 joseph and narrative 5 the exodus freedom and sonship 6 sinai covenant and code 7 the problem of monarchy samuel and kings 8 condemning israel sparing the nations amos and jonah 9 eden and the art of reading 10 priestly theology and holy space 11 exile and return prophetic visions 12 the consolidation of judaism temple and torah 13 violence and identity joshua and judges 14 jews gentiles and gender esther ruth ezra and nehemiah 15 apocalyptic daniel and the dead sea scrolls 16 the israelite at prayer the book of psalms subject index scripture and other ancient sources index

this is a book about an ancient writer the j writer the yahwist who produced a work of political imagination this work is embedded mainly in the first four books of the bible best known for some of the most popular and influential biblical stories in genesis and exodus the purpose of the book is to represent the whole of the original story with attention to its own meaning without the influence of

the other literary strands with which it was later supplemented therefore the work includes a fresh complete translation of the text of the j writer who produced the bible s first history the translation itself helps to establish more clearly than ever the integrity of the j writer the concern here is when and why this history was written especially in light of the concerns for justice and prosperity throughout it is demonstrated how and why this history comes from the court of david it is a royal history of david s subjects as though they were descended from pastoral nomads such as abram isaac and jacob it is argued that the intended audience of the history was probably those bedouin who regularly visited the court of david in hebron and jerusalem here is a bold and brilliant representation of the j writer s composition perhaps as it was originally intended to be read or heard this ancient tour de force takes on new life in the hands of these skilled interpreters
