this book had me hooked from the start a wonderfully told and often quite frank story of an incredible sportsman and his life from a child up to his amazing tour de france and olympic victories on july 22 2012 bradley wiggins made history as the first british cyclist to win the tour de france ten days later at the london olympic games he won the time trial to become his country s most decorated olympian in an instant wiggo now sir bradley marc wiggins became a national hero two years previously however wiggins had been staring into the abyss his much hyped attempt to conquer the 2010 tour de france had ended in public humiliation poor results and indifferent form left him facing release from team sky and then he was hit with the tragic news of the death of his grandfather george the man who had raised him as a young boy at rock bottom wiggins had to reach deep inside and find the strength to fight his way back outspoken honest intelligent and fearless wiggins has been hailed as the people s champion in my time he tells the story of the remarkable journey that led him from his lowest ebb to win the world s toughest race he opens up about the

personal anguish that has driven him on and what it's like behind the scenes at team sky the brutal training regimes the sacrifices and his views on his teammates and rivals he talks too about his anger at the specter of doping that pursues his sport how he dealt with the rush of taking olympic gold and above all what it takes to be the greatest

like millions of other sports mad gamblers around the world dave farrar loved taking on the bookies but when the girl that he loved walked out on him without explaining why it all went wrong and he embarked on an ill disciplined six month losing streak that made him decide that he was done with punting forever as he started to get over the fact that the girl wasn't coming back he resolved not to give up without a fight but this time he was going to do it properly making sure that he did enough research to take on the bookmakers and win in the perfect punter farrar delves into the detail of every sporting event he'd lost money on in that bad run to make sure that whenever he placed a bet in the future he would know more about it than anyone else he travels around the world following the sporting calendar meeting experts who help him get to the bottom of each event so he can try to win back every penny that he lost from snooker at the crucible and racing at cheltenham to tennis at roland garros golf's ryder cup and the us superbowl the perfect punter is the engrossing story of one man's journey to overcome the odds
