a contemporary exploration of peace and conflict studies that is both broad and critical

johan galtung one of the founders of modern peace studies provides a wide ranging panorama of the ideas theories and assumptions on which the study of peace is based the book is organized in four parts each examining the one of the four major theoretical approaches to peace the first part covers peace theory exploring the epistemological assumptions of peace in part two conflict theory is examined with an exploration of nonviolent and creative handling of conflict developmental theory is discussed in part three exploring structural violence particularly in the economic field together with a consideration of the ways of overcoming that violence the fourth part is devoted to civilization theory this involves an

this book illustrates the multiple roles of textbooks as victim transformer and accomplice to conflict by introducing the intersecting roles of education in conflict irec framework for use in the research development production distribution and dissemination of textbooks and learning materials the framework illustrates these three potentially overlapping roles by mapping the complex educational contexts of conflict affected societies and considering how textbooks learning materials and

education systems more broadly may simultaneously operate within these various roles country case studies from asia europe africa and the middle east are used to analyze primary and secondary school textbook development content and application from a variety of approaches that articulate conflict as protracted and or socio political violence the breadth of case studies shows how conflict discourse circulates in educational systems and materials in a wide range of contexts indicating that the complexity of the relationship between textbooks and conflict is not unique to one culture geographic region or type of conflict

unique in its systemic approach to peacemaking and conflict resolution multi track diplomacy identifies the players official and non state actors and activities that contribute to the peacemaking and peacebuilding process diamond and mcdonald show you how all nine tracks are interlinked and provide you with extensive resources for each track along with new ideas and fresh perspectives that will make you more effective in your work

this volume critically reflects on evaluation in peace education exploring theoretical and methodological issues existing practices and proposing novel techniques it aims to inspire continued exploration and innovation addressing the needs of peace educators across diverse settings and cultural contexts

amid the ongoing and volatile debate over the nature and potential of peace journalism this volume presents visionary insights from some of the most prominent scholars in the field the significant empirical studies included here will provide foundation data for communication studies the contributors broaden the purview and terrain of peace journalism to include new media and offers essays on the effects and the content of global communications in sum the thirteenth volume of peace and policy deepens our empirical knowledge of the nature and effects of conflict while underscoring the increase in numbers of participants and breadth of communications

this timely book comprises detailed personal narratives of entrepreneurs who have worked towards peace in the israeli palestinian conflict it begins by offering an innovative framework of analysis based on scientific knowledge about social entrepreneurs defining peace entrepreneurship and mapping its unique characteristics it also explains the narrative methodology used and provides a short history of the conflict in the region

peace and conflict studies pcs includes scholars and practitioners throughout the world working in peace studies conflict analysis and resolution conflict management

appropriate dispute resolution and peace and justice studies they come to the pcs field with a diversity of ideas approaches disciplinary roots and topic areas which speaks to the complexity breadth and depth needed to apply and take account of conflict dynamics and the goal of peace yet a number of key concerns and dilemmas continue to challenge the field critical issues in peace and conflict studies theory practice and pedagogy edited by thomas matyók jessica senehi and sean byrne is a collection of essays that explores a number of these issues providing a means by which academics students and practitioners can develop various methods to confront the complexity of contemporary conflicts critical issues in peace and conflict studies discusses the emerging field of pcs and suggests a framework for the future development of the field and the education of its practitioners and academics the book has a wide audience targeting students at the undergraduate graduate and post graduate levels it also extends to those working in and leading community conflict resolution efforts as well as humanitarian aid workers

in exploring the dynamics and narratives of peace in journalism this book explains the media s impact on the transformation of the conflict between israelis and palestinians it discusses the perspectives of peace activists who have been involved in grassroots action since the first intifada and examines how their relation with the mainstream media has evolved over time it compares these views with those of professional journalists who have been covering the conflict and their sense of the difficulties inherent in practicing a different kind of journalism the interviews included in this study contribute towards the model of peace journalism with a view to facilitating its successful application to this conflict highlighting both the obstacles and opportunities associated with this endeavour tiripelli offers suggestions for the strategic application of this model

the peace in dialogue universals and specifics reflections on north east india brings together essays with diverse methodologies and multiple interpretations of the very discourse of peace both through lens of universals in the peace discourse as much

with the exception of the newly added introduction and preface this book is a reprint of the spring 1972 issue of american studies
