exclusive look behind the scenes at the world's best restaurant

the name elbulli is synonymous with creativity and innovation located in catalonia spain the three star michelin restaurant led the world to molecular or techno emotional cooking and made creations such as pine nut marshmallows rose scented mozzarella liquid olives and melon caviar into sensational reality people traveled from all over the world if they could secure a reservation during its six months of operation to experience the wonder that chef ferran adrià and his team concocted in their test kitchen never offering the same dish twice yet elbulli's business model proved unsustainable the restaurant converted to a foundation in 2011 and is working hard on its next revolution will elbulli continue to innovate what must an organization do to create something new appetite for innovation is an organizational analysis of elbulli and the nature of innovation pilar opazo joined elbulli's inner circle as the restaurant transitioned from a for profit business to its new organizational model in this book she compares this moment to the culture of change that first made elbulli famous and then describes the novel forms of communication idea mobilization and embeddedness that continue to encourage the staff to focus and invent as a whole she finds that the successful strategies employed by elbulli are

similar to those required for innovation in art music business and technology proving the value of the elbulli model across organizations and industries
