why did thomas eakins now considered the foremost american painter of the nineteenth century make portraiture his main field in an era when other major artists disdained such a choice with a rich discussion of the cultural and vocational context of the late nineteenth and early twentieth centuries elizabeth johns answers this question

the life and work of thomas eakins 1844 1916 america's most celebrated portrait painter have long generated heated controversy in this fresh and deeply researched interpretation of the artist amy werbel sets eakins in the context of philadelphia's scientific medical and artistic communities of the 19th century and considers his provocative behavior in the light of other well publicized scandals of his era this illuminating perspective provides a rich alternative account of eakins and casts entirely new light on his renowned paintings eakins modern critics have described his artistic motivations and beliefs as prurient and even pathological werbel challenges these interpretations and suggests instead that eakins is best understood as an artist and teacher devoted to an exacting and profound study of the human body to equality for women and men and to middle class meritocratic and quaker philosophies

the american realist painter thomas eakins is now widely acknowledged as one of the most important american artists though during his lifetime he was a controversial figure whose work received little recognition he worked exactingly from life choosing as his subject the people of his hometown of philadelphia he produced several hundred portraits usually of friends family members or prominent people in the arts and sciences carrying the tradition of nineteenth century realism to perhaps its highest achievement his art was never

compromised by the need to flatter patrons or sitters and honesty was his only policy his work served as an impetus for the burst of realism in american painting during the early years of the twentieth century especially in the work of george bellows and his circle delphi s masters of art series presents the world s first digital e art books allowing readers to explore the works of great artists in comprehensive detail this volume presents eakins complete paintings with concise introductions hundreds of high quality images and the usual delphi bonus material version 1 the complete paintings of thomas eakins over 750 images fully indexed and arranged in chronological and alphabetical order includes reproductions of rare works features a special highlights section with concise introductions to the masterpieces giving valuable contextual information enlarged detail images allowing you to explore eakins celebrated works in detail as featured in traditional art books hundreds of images in colour highly recommended for viewing on tablets and smartphones or as a valuable reference tool on more conventional ereaders special chronological and alphabetical contents tables for the paintings easily locate the artworks you wish to view includes eakins drawings and sculptures explore the artist s varied works contents the highlights the champion single sculls 1871 the biglin brothers turning the stake 1873 the gross clinic 1875 the chess players 1876 the fairman rogers four in hand 1880 singing a pathetic song 1881 arcadia 1883 swimming 1885 portrait of walt whitman 1888 the agnew clinic 1889 portrait of miss amelia van buren 1890 the concert singer 1892 portrait of maud cook 1895 salutat 1898 self portrait 1902 william rush and his model 1908 the paintings the complete paintings alphabetical list of paintings other artworks list of artworks

the first book length study to explore the philadelphia realist artist s lifelong fascination with historical themes this examination of eakins reveals that he envisioned his artistic legacy in terms different from those by which twentieth century art historians have typically defined his art

thomas eakins and the cultures of modernity is the first book to situate philadelphia s greatest realist painter in relation to the historical discourse of cultural difference in this study alan c braddock reveals that modern anthropological perceptions of culture which many art historians attribute to eakins did not become current until after the artist s death in 1916 braddock finds in the work of thomas eakins a lifelong engagement with aesthetic and social currents that extended well beyond his native city of philadelphia indicating the persistence of a worldly sensibility long after he had concluded his formative studies in europe during the 1860s braddock shows how eakins developed a localized cosmopolitanism all his own based in philadelphia but tapped into a global field of visual production jacket

for architects negotiation is explicit in every aspect of practice just as it is implicit in every aspect of design and now you can develop or refine the negotiation skills you need with the help of this concise easy to follow guide written by an acknowledged expert in the field this volume in the professional practice series offers accessible practical coverage of contract negotiation essentials related to growth expansion new management internal transitions mergers acquisitions liquidations retirement and more also like all the books in this series the information you ll find here is expressly tailored to the needs of the design professional

the young thomas eakins s most revealing letters published here for the first time the most revealing and interesting writings of american artist thomas eakins are the letters he sent to family and friends while he was a student in paris between 1866 and 1870 this book presents all these letters in their entirety for the first time in fact this is the first edition of eakins s correspondence from the period edited and annotated by eakins authority william innes homer this book provides a treasure trove of new information revealing previously hidden facets of eakins s personality providing a much richer picture of his artistic development and casting fresh light on his debated psychosexual makeup the book is illustrated with the small gemlike drawings eakins included in his correspondence as well as photographs and paintings in these letters eakins speaks openly and frankly about human relationships male companionship marriage and women in vivid charming and sometimes

comic detail he describes his impressions of paris from the training he received in the studio of jean léon gérôme to the museums concerts and popular entertainments that captured his imagination and he discusses with great insight contemporary aesthetic and scientific theories as well as such unexpected subjects as language structure musical composition and ice skating technique also published here for the first time are the letters and notebook eakins wrote in spain following his paris sojourn this long overdue volume provides an indispensable portrait of a great american artist as a young man

eakins s strong commitment to the development of a uniquely american art never wavered although his painting was influenced and informed by his studies in paris and his admiration for velazquez and ribera he devoted his career to creating a penetrating series of portraits of professional and artistic society in philadelphia

a wealth of research material has grown up around the collection of works by thomas eakins 1844 1916 given to the philadelphia museum of art in 1929 and 1930 over the years generous contributions of eakins scholars nationwide have augmented the material which has been reorganized and catalogued here complete with 450 bibliographical entries it is the most definitive and up to date guide to sources on this preeminent american artist also included is a record of some 277 exhibitions during eakins lifetime

thomas eakins was misunderstood in life his brilliant work earned little acclaim and hidden demons tortured and drove him yet the portraits he painted more than a century ago captivate us today and he is now widely acclaimed as the finest portrait painter our nation has ever produced this book recounts the artist s life in fascinating detail drawing on a treasure trove of eakins family correspondence and papers that have only recently been discovered never before has thomas eakins s story been told with such drama clarity and accuracy sidney kirkpatrick sets the painter s life and art in the wider context of the changing world he devoted himself to portraying and he also addresses the artist s private life the contradictory impulses obsessions and possible psychological illness that fired his work kirkpatrick underscores eakins s unflinching integrity as an artist and discloses how his profound appreciation of the beauty of the human form was both the source of his greatness and ultimately of his undoing nevertheless the author observes eakins has had his revenge inspiring a new generation of realist painters and gaining the recognition that eluded him in life
