this collection shows the growth and development of english prose by extracts from the principal and most characteristic writers

winner of three tony awards including best book greg kotis and mark hollmann s urinetown the musical is a tale of greed corruption love and revolution in a time when water is worth its weight in gold after a twenty year drought made water a scarce commodity private toilets became outlawed now all restroom necessities are controlled by the urine good company ugc a megacorporation that charges fees for using public toilets anyone unable to pay fees or who dares to relieve themselves outside the commode are arrested and banished to urinetown when ugc employee bobby strong s father falls victim to this tyranny he spearheads a revolution inspiring the people to rise up and reclaim their own restroom duties unaware of the realities and consequences of his actions with a preface by david auburn pulitzer prize winning playwright of proof and an introduction by the authors

first published in 1998 this volume forwards a particular theory of freedom and delves into the relationships between this view of freedom and issues of social justice exploring positive and negative implications of the idea of freedom and its interaction with social justice programs phillip cole argues that the idea of freedom contributes substantially to the theory of social justice rather than drawing limiting boundaries around it cole examines the concept of freedom in light of ability autonomy neutrality equality welfare and membership at heart his approach is based on the notion of entitlement and assumes that all people are of equal moral and political weight that all should receive the same consideration for the purpose of ethical and political questions

hobbes s extreme political views have commanded so much attention that they have eclipsed his work on language and mind and on reasoning personhood and group formation but this work is of immense interest in itself as philip pettit shows in made with words and it critically shapes hobbes s political philosophy pettit argues that it was hobbes not later thinkers like rousseau who invented the invention of language thesis the idea that language is a cultural innovation that transformed the human mind the invention in hobbes s story is a double edged sword it enables human beings to reason commit themselves as persons and incorporate in groups but it also allows them to agonize about the future and about their standing relative to one another it takes them out of the eden of animal silence and into a life of inescapable conflict the state of nature still if language leads into this wasteland according to hobbes it can also lead out it can enable people to establish a commonwealth where the words of law and morality have a common enforceable sense and where people can invoke the sanctions of an absolute sovereign to give their words to one another in credible commitment and contract written by one of today s leading philosophers made with words is both an original reinterpretation and a clear and lively introduction to hobbes s thought

when you re out riding things happen if you keep at it everything happens thus goes the simple wisdom of foster kinn in freedom s rush tales from a biker and his beast join foster as he travels through the continental united states with an occasional detour into canada experience with him all that can happen in the day in a life of a biker sometimes you re hungry sometimes you eat too much sometimes you re unbearably hot sometimes painfully cold you lose things and get lost you find things and find your way you fall in love you find things to despise you bleed and you heal you get sick then you re invincible the rains pelt the snows blind the winds make you helpless you ride through gorgeous scenery and through desolate wastelands all places are the way they re supposed to be and they re all perfect it s life in microcosm in part a celebration of the grandness of this wide wonderful world in part a meditation on the meaning of freedom and our sacred right to create you will laugh with kinn at all the wonderfully wacky characters he meets on the road and you will be dazzled by the utter joy he finds as he rides when you read the last line you will know what he means when he writes as long as freedoms exist we will ride as long as we ride freedoms will exist

this is political philosophy is an accessible and well balanced introduction to the main issues in political philosophy written by an author team from the fields of both philosophy and politics this text connects issues at the core of political philosophy with current live debates in policy politics and law and addresses different ideals of political organization such as democracy liberty equality justice and happiness written with great clarity this is political philosophy is accessible and engaging to those who have little or no prior knowledge of political philosophy and is supported with supplemental pedagogical and instructor material on the this is philosophy series site available at wiley com en us thisisphilosophy thisispoliticalphilosophyanintroduction
