in this marvelous book acclaimed around the world alberto manguel takes us on a fascinating exploration of what it means to be a reader of books a history of reading is a brilliant reminder of why we cherish the act of reading despite distractions throughout the ages from the inquisition to the lures of cyberspace he shows us what happens when we read who we become and how reading teaches us how to live he reminds us that we live in books as well as among them how we find our own stories in books and traces of our lives he shows us how our reading habits have developed over the centuries and how ever since humans first transcribed their thoughts and deeds on clay and papyrus the act of reading is itself a part of being human alberto manguel is a lover of reading and he brings a lover s delight and enthusiasm to his history of reading his stories take us across a breathtaking range of time and experiences from the invention of the reader to pliny the younger s first lip synch in history from the moment when alexander the great s conquering army watched amazed

as their captain read a letter from his mother but silently to himself to reading clubs in medieval france from the great camel library of the grand vizir of persia who trained his camels to walk in alphabetical order to the ancient delights of bedroom reading and the modern horrors of book burning in nazi germany from cuneiform and codexes to the invention of printing and to penguins from the creation of eyeglasses to the hypnotics of hypertext the story of reading is laid open here for our pleasure

in this major collection of his essays alberto manguel whom george steiner has called the casanova of reading argues that the activity of reading in its broadest sense defines our species we come into the world intent on finding narrative in everything writes manguel landscape the skies the faces of others the images and words that our species create reading our own lives and those of others reading the societies we live in and those that lie beyond our borders reading the worlds that lie between the covers of a book are the essence of a reader on reading the thirty nine essays in this volume explore the crafts of reading and writing the identity granted to us by literature the far reaching shadow of jorge luis borges to whom manguel read as a young man and the links between politics and books and between books and our bodies the powers of censorship and intellectual curiosity the art of translation and those numinous memory palaces we call libraries also figure in this remarkable collection for manguel and his readers words in spite of everything lend coherence to the world and offer us a few safe places as real as paper and as bracing as ink to grant us room and board in our passage

#### **publisher description**

taking a handful of extraordinary images photographed painted built sculpted alberto manguel explores with delight and erudition how each one attempts to tell a story that we the viewer must decipher or invent whether delving into the love of life in the twentieth century world of joan mitchell or the brutal complexities of picasso s treatment of his mistress revisiting the riddles of the past in the fifteenth century painting of robert campin or the heartrending life of the hairy girl whose matted fur so

astonished sixteenth century italy laying bare the unequivocal passion of tina modotti or the passionate dream world of marianna gartner and the colliding unbalancing power of the architect peter eisenman he helps us to enjoy and explore the visual landscape we live in book jacket title summary field provided by blackwell north america inc all rights reserved

while travelling in calgary alberto manguel was struck by how the novel he was reading seemed to reflect the world he was living in an article in the daily paper would be suddenly illuminated by a passage in the novel a long reflection would be prompted by a single word he decided to keep a record of these moments rereading a book a month and formed a reading diary a volume of notes impressions of travel of friends of public and private events all elicited by his reading

inspired by the process of creating a library for his 15th century home near the loire in france manguel the acclaimed writer on books and reading has taken up the subject of libraries in this captivating meditation on their meaning and significance

an eclectic history of human curiosity a great feast of ideas and a memoir of a reading life from an internationally celebrated reader and thinker curiosity has been seen through the ages as the impulse that drives our knowledge forward and the temptation that leads us toward dangerous and forbidden waters the question why has appeared under a multiplicity of guises and in vastly different contexts throughout the chapters of human history why does evil exist what is beauty how does language inform us what defines our identity what is our responsibility to the world in alberto manguel s most personal book to date the author tracks his own life of curiosity through the reading that has mapped his way manguel chooses as his guides a selection of writers who sparked his imagination he dedicates each chapter to a single thinker scientist artist or other figure who demonstrated in a fresh way how to ask why leading us through a full gallery of inquisitives among them thomas aquinas david hume lewis carroll rachel carson socrates and most importantly dante manguel affirms how deeply connected our curiosity is to the readings that most astonish us and how essential to the

soaring of our own imaginations

as far as one can tell human beings are the only species for which the world seems made up of stories alberto manguel writes we read the book of the world in many guises we may be travelers advancing through its pages like pilgrims heading toward enlightenment we may be recluses withdrawing through our reading into our own ivory towers or we may devour our books like burrowing worms not to benefit from the wisdom they contain but merely to stuff ourselves with countless words with consummate grace and extraordinary breadth the best selling author of a history of reading and the library at night considers the chain of metaphors that have described readers and their relationships to the text that is the world over a span of four millennia in figures as familiar and diverse as the book addled don quixote and the pilgrim dante who carries us through the depths of hell up to the brilliance of heaven as well as prince hamlet paralyzed by his learning and emma bovary who mistakes what she has read for the life she might one day lead manguel charts the ways in which literary characters and their interpretations reflect both shifting attitudes toward readers and reading and certain recurrent notions on the role of the intellectual we are reading creatures we ingest words we are made of words it is through words that we identify our reality and by means of words that we ourselves are identified

by the award winning author of a history of reading for me words on a page give the world coherence words tell us what we as a society believe the world to be i believe there is an ethic of reading a commitment that is both political and private in the act of turning the pages and i believe that sometimes beyond the author s intentions and beyond the reader s hopes a book can make us better and wiser through personal stories and literary reflections in a style rich in humour and gentle erudition manguel leads us the readers to reflect upon the pleasures and responsibilities of reading and the links that exist between the world we live in and the words we live amongst into the looking glass wood is a voyage into the subversive heart of words a voyage fired by the author s humanity and extraordinary breadth of vision

a best selling author and world renowned bibliophile meditates on his vast personal library and champions the vital role of all libraries in june 2015 alberto manguel prepared to leave his centuries old village home in france s loire valley and reestablish himself in a one bedroom apartment on manhattan s upper west side packing up his enormous 35 000 ↗ volume personal library choosing which books to keep store or cast out manguel found himself in deep reverie on the nature of relationships between books and readers books and collectors order and disorder memory and reading in this poignant and personal reevaluation of his life as a reader the author illuminates the highly personal art of reading and affirms the vital role of public libraries manguel s musings range widely from delightful reflections on the idiosyncrasies of book lovers to deeper analyses of historic and catastrophic book events including the burning of ancient alexandria s library and contemporary library lootings at the hands of isis with insight and passion the author underscores the universal centrality of books and their unique importance to a democratic civilized and engaged society

alberto manguel sets out to investigate the ways in which stories can lend an identity to a whole society his book is also about the art of reading at a time when manguel argues that it is still possible for stories to change us and the world we live in

from the most powerful book critic in the english speaking world vanity fair comes an inspiring and beautifully illustrated selection of the life changing books that none of us should miss

illustrated by rare photos of borges by argentinian sara facio this book is a remarkable window into the private life of one of the greatest authors of the twentieth century

this collection is representative of manguel s entire body of work 1960s to 2002 approximately from both his business and personal life it includes drafts revisions manuscripts galleys illustrations publisher s correspondence personal correspondence photographs printed appearances and other material includes material related to a dictionary of imaginary places a history of reading reading pictures a history of love

and hate news from a foreign country came soho square black water other fires meanwhile in another part of the forest into the looking glass wood mothers and daughters fathers and sons god s spies and the many other translations anthologies articles conferences literary juries and other projects manguel has been involved with

a comprehensive examination of one of the twentieth century s most innovative writers and critics

every exile is offset by a return or at least the possibility of a return n a fabris s return to his home town brings him face to face with a reality that owes its existence to both recent history and his memory of disappeared friends altered landscapes secret nightmares and a woman he once loved

in this gorgeously imagined novel a journalist interviews those who knew or thought they knew alejandro bevilacqua a brilliant infuriatingly elusive south american writer and author of the masterpiece in praise of lying but the accounts of those in his circle of friends lovers and enemies become increasingly contradictory murky and suspect is everyone lying or just telling their own subjective version of the truth as the literary investigation unfolds and a chorus of bevilacqua s peers piece together the fractured reality of his life thirty years after his death only the reader holds the power of final judgment in all men are liars alberto manguel pays homage to literature s inventions and explores whether we can ever truly know someone and the question of how by whom and for what we ourselves will be remembered

this reference text provides detailed information on the world s 1200 largest and most influential companies each entry contains details such as company s legal name mailing address ownership sales and market value stock index and principal subsidiaries each two to four page entry is detailed with facts gathered from popular magazines academic periodicals books annual reports and the archives of the companies themselves information is also provided about founders expansions and losses and labour management actions entries are arranged alphabetically by industry
