the history of christian theology can be a daunting even forbidding field for the novice who sees neither the need for nor pertinence of rummaging around dusty

old texts this people friendly volume a full scale reader in the history of christian theology offers an easy non threatening occasionally humorous yet quite thorough entry into christianity s central texts from the apostolic fathers to mary daly it is also enlivened by dozens of cartoons by rich diesslin highly accessible introductions to five periods precede brief introductions to and texts from more than fifty key thinkers the texts highlight perennial themes and questions in christian tradition especially the meaning and importance of jesus challenges to the institutional church tensions of faith and reason spirituality and the christian quest for social justice the new edition half again as large as the original adds significant work from the cappadocian fathers and the christological controversialists the franciscan tradition the radical and english reforms and deeper coverage of twentieth century theologians with learning aids research paper suggestions and guide and glossary publisher description

this introduction to christian theology explores the whole christian tradition in a simple and straightforward way leading wesleyan theologian don thorsen surveys the theological views represented within historic christianity and discusses the variety of positions held without favoring one over another the book includes helpful end of chapter questions for further reflection and discussion a convenient glossary of theological terms and sidebars the second edition is marked by a thorough updating of the text and the addition of two new chapters on apologetics and the future of the unevangelized

dallas seminary professors make basic theology accessible for all theology doesn t have to be complicated in this book trusted dallas seminary professors present a concise systematic theology that distills the essential spiritual truths in a way that makes sense to readers students lay people and pastors here are introductions overviews and reviews of key tenets of orthodox protestant evangelical doctrines the book also includes an annotated list of key applicable bible texts a quick paced story of doctrine throughout church history heresies or distortions to be aware of and more exploring christian theology is useful for discipleship catechism membership training preview or review of doctrine or quick personal reference it can also be used by ministry training programs bible colleges or seminaries as an introductory primer to orient students in preparation for a more in depth study of

theology

this book helps beginning theological students grasp the basics of christian theology consciously avoiding the perspective of one school of thought or confessional tradition the authors provide the reader with a brief broad overview of the questions and contents of theological study their accessible use of language clear organization and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time in the words of its authors this book offers an introduction to the fuller spectrum of christian theology as it has developed through the centuries few writers address the historical development of the classic doctrines and the contemporary resonance as adroitly as gonzalez and perez the chapter on jesus christ for example presents concise summaries of the treatments of christ s person leading up to chalcedon while suggesting a need for a multiplicity of images in understanding the work of christ that liberates the whole person and restores all creation beginning students as a result are invited into a living theological conversation where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation broadly ecumenical in tenor with reference to theologians from nearly every century the work should appeal to both a popular readership and introductory students in college and seminary one disappointing aspect of the book is an absence of latino a feminist and liberation perspectives for a work that argues for the contextuality of all theology and from authors whose previous work has been monumental in hispanic theological education this lack is surprising david h jensen austin presbyterian theological seminary in religious studies review volume 29 number 3 july 2003

this fourth edition of the international bestseller is the ideal introduction for those who are new to christian theology in this revised and expanded edition the author introduces readers to the central ideas and beliefs the key debates and the leading thinkers of christianity throughout the aim is to bring clarity and brevity to the central ideas of theology both traditional and contemporary the text comprehensively covers the individual doctrines that form the christian belief system weaving together these doctrines their history and the intellectual nuance behind them into an inter connected web all major christian denominations are explored as are their differences and shared customs and beliefs this rich tapestry results in a

clear view of christianity providing a coherent vision of the religion in its main forms offers a lively concise and easily accessible approach to the development of christianity's core themes over the centuries as christianity enters into a new phase of expansion the study of christian theology continues to play a key role in modern intellectual culture as well as to those wanting to understand the central issues and preoccupations of the middle ages the european reformation or many other periods in human history since its initial publication more than 30 years ago christian theology an introduction has established itself as one of the most respected and widely used theological textbooks now in its seventh edition this classic textbook remains an unparalleled introduction to the primary concepts themes and developments of 2 000 years of christian thought designed for students with no prior knowledge of the subject christian theology provides an overview of historical theology explains central aspects of philosophical theology describes major debates over christian theological method and explores key doctrines of systematic theology theologically neutral chapters offer balanced coverage of catholic orthodox protestant and evangelical traditions positions perspectives and insights in this new edition renowned theologian alister e mcgrath is joined by educationalist matthew j thomas to ensure that christian theology connects with a range of contemporary teaching contexts reviewed and improved content is supported by an entirely new series of fifteen lectures on christian theology written and presented by professor mcgrath christian theology an introduction seventh edition remains the ideal textbook for university courses in christian theology seminary courses across denominations church discussion groups adult sunday schools and those looking for a reliable guide to the study of christian thought

regarded as the leading text in christian theology for the last 25 years alister e mcgrath's the christian theology reader is now available in a new 5th edition featuring completely revised and updated content brings together more than 350 readings from over 200 sources that chart 2 000 years of christian history situates each reading within the appropriate historical and theological context with its own introduction commentary and study questions includes new readings on world christianity and feminist liberation and postcolonial theologies as well as more selections by female theologians and theologians from the developing world contains

additional pedagogical features such as new discussion questions and case studies and a robust website with new videos by the author to aid student learning designed to function as a stand alone volume or as a companion to christian theology an introduction 6th edition for a complete overview of the subject

this volume focuses on a central question what does a person need to know for developing a theology in other words this book will not only answer objections lodged against the study of theology but will explain to students pastors and laypersons alike what a theologian actually does it will also present different approaches to the study of theology and review the present status of theological reflection in various protestant orthodox and roman catholic traditions in the first section of the book evangelical protestant scholars describe the contributions various disciplines make to the study of theology in the next section evangelical protestant scholars explain the distinctives of their approaches to doing theology in the third part theologians who do not identify with evangelical protestant convictions seek to explain the distinctives of their approaches to doing theology in the final section dr kantzer provides a summary analysis of how he does theology and interacts critically with a number of essays in this volume

this text poses the question what is theology and goes on to discuss issues of methodology the relation of theology to other disciplines and different theological perspectives it also investigates topics in the fields of philosophical theology human existence revelation the language of theology and christianity and other religions symbolic theology triune god doctrines of creation the problem of evil and suffering the person of jesus christ and eschatology and applied theology the church ministry and mission word and the sacraments worship and prayer and ethics

this classic systematic theology by methodist william burt pope 1822 1903 is organized as follows the kindle edition includes all three volumes volume i chapter 1 definition of theology chapter 2 revelation or the faith chapter 3 inspiration chapter 4 the canon the divine rule of faith chapter 5 the existence and notion of god chapter 6 the divine essence and perfections chapter 7 the person of christ chapter 8 the mediatorial work in its process chapter 9 historical manifestation of the redeemer volume two chapter 1 origin of sin in the universe and on earth chapter 2 nature of sin chapter 3 sin and redemption chapter 4 original sin chapter 5 the

divine purpose of redemption chapter 6 the redemptional or economical trinity chapter 7 the person of christ chapter 8 the mediatorial work in its process chapter 9 historical manifestation of the redeemer volume iii chapter 1 christian sonship chapter 2 christian sanctification chapter 3 tenure of covenant blessings chapter 4 christian ethics chapter 5 the christian church chapter 6 eschatology or the last things

students often find introductions to systematic theology too daunting or boring to wade through here author and teacher bradley hanson offers an attractive accessible alternative for undergraduates hanson draws on 16 years of successful teaching to create exciting and pertinent presentations of major topics illuminate options on key issues and nudge students to formulate a personal stance

the word theology is often construed by many as referring to a very dry and academic discipline only reserved for the professional clergy and seminary professors many lay christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church in an attempt to address this concern mark kim presents here an introductory systematic theology that deals with the core doctrinal topics of christianity that is accessible for the average layperson the work will engage heavily with scripture and the voices of the past and present who have contributed to the total theological voice of the church at large in this second edition of the work there is included an extra chapter on the doctrine of the christian life as pointed out in the first edition of the work theology should foremost be practical in its results and application the author addresses this concern by including a new chapter discussing the nature of the christian life and how christians should live in the world

a new edition of leading theologian millard erickson s classic text

a journey in christian theology through biblical historical and thematic perspectives with special attention to the context of today s world

theology matters at last it can be understood easily thanks to this layman s language approach to biblical belief authored by j i packer one of the premier theologians of christianity this summary of christian teaching covers nearly 100 major

christian beliefs from a reformed perspective brief easy to understand chapters offer precise descriptions without sacrificing depth thoughtfully arranged and refreshingly readable this is a book that belongs on the shelf of every christian

the foundations of theology in everyday language dallas seminary professors nathan holsteen and michael svigel are passionate about the key doctrines of christianity they want readers to know why they re important and why they matter this volume includes two parts from dust to dust creation humanity and the fall wise unto salvation gospel atonement and saving grace the authors explore these important topics in a concise and highly readable style that makes sense whether you re a student of the bible a pastor or someone who simply wants to know god better for each topic you ll find an introduction overview and review of the key points several applicable bible texts including verses to memorize a quick paced history of the doctrine distortions to be aware of and avoid reading lists for further study a glossary of theological terms exploring christian theology is a wonderful doctrinal primer that teaches theology in a way that will engage you and cause you to reflect a great way to get acquainted with key biblical theological themes darrell bock senior research professor dallas theological seminary

a non threatening entrance into texts from the apostolic fathers to mary daly

there has long been a need for a comprehensive but truly introductory single authored textbook in theology by introducing the reader to the biblical doctrinal and contemporary dimensions of christianity with the help of illustrated examples from selected primary texts the book provides an excellent grounding in theology for both students of the discipline and the general reader the work explores key tools for the scientific study of theology endeavoring both to affirm the rationale behind christian thinking and also to familiarize the reader with significant contrary positions the solid foundations in biblical theology and hermeneutics given in the book will enable students to read judeo christian scripture intelligently key testimonies regarding jesus christ are scrutinized and the nature of the new testament discussed as well as the emergence of doctrinal orthodoxy and the later disagreements which have shaped contemporary christianity the reader will become familiar with the dimensions of current christian thinking in its dialogue with post modernity this new edition includes an additional chapter examining spirituality and a series of

companion videos for each chapter

what is christianity really all about is it in its essence about proper religious rituals or correct religious beliefs or acceptable moral behavior what is at the heart of an authentic christian faith and life in from resurrection to new creation michael pahl provides an introduction to christian theology which attempts to answer these questions proposing that the heart of christianity is not a set of rituals or beliefs or behaviors but an event the resurrection of the crucified jesus from the dead that prompts a story the gospel or good news of salvation through jesus jesus resurrection pahl claims is the starting place and the compass in the journey of christian theology our journey to understand god god s work in the world and how we should live out god s purposes for humanity thus beginning with jesus resurrection and using this event as a guide pahl surveys the terrain of classic christian belief and practice the trinity the identity of jesus the work of the holy spirit the nature of humanity christ s atonement for sin salvation and the gospel baptism and the eucharist the church and the future state all these landscapes and more are explored in this concise introductory survey of essential christian theology

christian theology needs to be reconstructed in light of recent and momentous intellectual changes social revolutions and steep pedagogical challenges that is the conviction of many of north america s leading theologians whose close collaboration over several years bring us this exciting volume reconstructing christian theology introduces theology in such a way that readers can discern the relevance of historical materials pose theological questions and begin to think theologically for themselves further like other projects of the workgroup on constructive theology this volume stems from a deep desire to model a credible creative and engaged contemporary theology so each chapter tackles major christian teaching juxtaposes it with a significant social or cultural challenge and then reconstructs each in light of the other the result is an innovative and compelling way to learn how theology can contribute to rethinking the most pressing issues of our day
