orson welles and the unfinished rko projects a postmodern perspective traces the impact of legendary director orson welles on contemporary mass media entertainment and suggests that ironically we can see welles s performance genealogy most clearly in his

unfinished rko projects author marguerite h rippy provides the first in depth examination of early film and radio projects shelved by rko or by welles himself while previous studies of welles largely fall into the categories of biography or modernist film studies this book extends the understanding of welles via postmodern narrative theory and performance analysis weaving his work into the cultural and commercial background of its production by identifying the rko years as a critical moment in performance history rippy synthesizes scholarship that until now has been scattered among film studies narrative theory feminist critique american studies and biography building a bridge between auteur and postmodern theories orson welles and the unfinished rko projects offers a fresh look at welles in his full complexity rippy trains a postmodern lens on welles s early projects and reveals four emerging narrative modes that came to define his work deconstructions of the first person singular adaptations of classic texts for mass media explorations of the self via primitivism and examinations of the line between reality and fiction these four narrative styles would greatly influence the development of modern mass media entertainment rippy finds welles s legacy alive and well in today s mockumentaries and reality television it was in early unfinished projects where welles first toyed with fact and fiction and the pleasure of this interplay still resonates with contemporary culture as rippy suggests the logical conclusion of welles s career long exploration of truthiness lies in the laughs of fake news shows offering an exciting glimpse of a master early in his career orson welles and the unfinished rko projects documents welles s development as a storyteller who would shape culture for decades to come

the 1980s were an important decade for educational inquiry it was the moment of the linguistic turn with its emphasis on the role of language as a constructor of reality a structuring agent for institutions such as schools and a medium for translating knowledge into elements of power for processes of social regulation drawing on the work and insights of educational researcher thomas s popkewitz this book shows how the linguistic turn provided an alternative to both mainline educational research grounded in the ideals of political liberalism and the effort of neo marxists to challenge liberal thinking in favor of a scholarship based on class conflict and economic determinism

first published in 2002 an american health dilemma is the story of medicine in the united states from the perspective of people who were consistently officially mistreated abused or neglected by the western medical tradition and the us health care system it is also the compelling story of african americans fighting to participate fully in the health care professions in the face of racism and the increased power of health corporations and hmos this tour de force of research on the relationship between race medicine and health care in the united states is an extraordinary achievement by two of the leading lights in the field of public health ten years out it is finally updated with a new third volume taking the story up to the present and beyond remaining the premiere and only reference on black public health and the history of african american medicine on the market today no one who is concerned with american race relations with access to and quality of health care or with justice and equality for humankind can afford to miss this powerful resource

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873

this volume is a comprehensive collection of critical essays on the taming of the shrew and includes extensive discussions of the play s various printed versions and its theatrical
