sara crewe is not a girl like any other she is a bright and beautiful girl who loves her father she is a student at a boarding school when her father dies and leaves her with no money and is forced to become a servant but in her heart she is still the little princess

frances hodgson burnett published numerous works for an adult readership but she is mainly remembered today for three novels written for children little lord fauntleroy 1886 a little princess 1905 and the secret garden 1911 this volume is dedicated to the secret garden the articles address a wide range of issues including the representation of the garden in burnett s

novel in the context of cultural history the relationship between the concept of nature and female identity the idea of therapeutic places the notion of redemptive children in the secret garden and little lord fauntleroy the concept of male identity constructions of otherness and the redefinition of englishness film and anime versions of burnett s classic noel streatfeild s the painted garden as a rewriting of the secret garden attitudes towards food in children s classics and burnett s novel in the context of edwardian girlhood fiction and the tradition of the female novel of development

sara crewe a pupil at miss minchin s london school is left in poverty when her father dies but is later rescued by a mysterious benefactor this newly repackaged classic features a new afterword original

this book offers a variety of approaches to children s literature from a postcolonial perspective that includes discussions of cultural appropriation race theory pedagogy as a colonialist activity and multiculturalism the eighteen essays divide into three sections theory colonialism postcolonialism the first section sets the theoretical framework for postcolonial studies essays here deal with issues of otherness and cultural difference as well as the colonialist implications of pedagogic practice these essays confront our relationships with the child and childhood as sites for the exertion of our authority and control section 2 presents discussions of the colonialist mind set in children s and young adult texts from the turn of the century here works by writers of animal stories in canada the u s and britain works of early australian colonialist literature and frances hodgson burnett s a little princess come under the scrutiny of our postmodern reading practices section 3 deals directly with contemporary texts for children that manifest both a postcolonial and a neo colonial content in this section the longest in the book we have studies of children s literature from canada australia africa the caribbean and the united states

we live in a digital age where the mediums of art are inextricably bound to the binary code and painting and photography are redefined in their interconnected relationship through digital reconfiguration as digitisation unmoors these mediums from their traditional supports their modes of production display and dissemination shift these changes bring about new ways of creating and engaging with artworks through this the innate qualities of the mediums previously anchored in their analogue nature are re evaluated through their connection with the digital born out of the paintingdigitalphotography conference held at quad derby uk in may 2017 this anthology of essays investigates aspects of interconnectivity between painting digital and photography in contemporary art practices it contributes to critical discourses around networks of associations by examining where syntheses occur and differences remain between these mediums at the beginning of the twenty first century

when sara crewe is brought from india to attend miss minchin s boarding school for girls in london she arrives looking rather like a princess with trunks full of the finest clothes yet despite having her own pony and carriage private room and personal maid sara is never a snob to her fellow pupils instead she is kind thoughtful and generous and soon she is friends with all the girls there but when the terrible news of her father s death and failed financial investments arrives sara is suddenly left a penniless orphan she is allowed to stay at the school but as a servant and the cruel miss minchin starves and ill treats her faced with day after day of endless exhausting work sara relies on her friendships and her imagination to get

her through the misery of her circumstances however when mr carrisford and his assistant ram Dass arrive from india and move in next door to the school and warm blankets and delicious food mysteriously begin to appear in sara s little room in the attic it looks like her life is about to change for ever

this book examines representations of precocity in victorian textual culture canonical literature children s fiction scientific texts and writing by children to argue that precocity challenges the idea of progress it considers how practitioners of literature and science from wordsworth to freud represented human development and the way in which darwin s non progressive model of evolution troubled the existing model of progression by stages from childhood inexperience to adult maturity and understanding roisín laing argues that the precocious child undermines the equation of growth with progress and thereby facilitates other ways of imagining both individual and species development the idea represented by the precocious child in victorian culture that the adult is not necessarily an improvement on the child the human not necessarily an improvement on the ape still troubles us today

a little princess is a children s novel by frances hodgson burnett first published as a book in 1905 it is an expanded version of the short story sara crewe or what happened at miss minchin s which was serialized in st nicholas magazine from december 1887 and published in book form in 1888 according to burnett after she composed the 1902 play a little un fairy princess based on that story her publisher asked that she expand the story as a novel with the things and people that had been left out before the novel was published by charles scribner s sons also publisher of st nicholas with illustrations by ethel franklin betts and the full title a little princess being the whole story of sara crewe now being told for the first time based on a 2007 online poll the u s national education association named the book one of its teachers top 100 books for children in 2012 it was ranked number 56 among all time children s novels in a survey published by school library journal a monthly with primarily u s audience it was the second of two burnett novels among the top 100 with the secret garden number 15
