in november 1970 an amalgam of radical activists took over a section of the notorious lincoln hospital in the south bronx of new york from that action an innovative drug detoxification program evolved public health historians have documented the role played by the young lords and black panthers in direct action healthcare reform while in

acupuncture circles dr michael smith is famed for developing a technique for drug detox hidden behind these better known narratives is the history of a movement led by african american and latinx activists that sought to employ acupuncture to transform the heroin addiction ravaging their communities and the capitalism colonialism and chemical warfare it saw as causative factors acupuncture as revolution traces the history of revolutionary acupuncture in the united states from its origins in the radicalism of the 1960s to its modern manifestation in the community acupuncture movement the book compels the reader to look beyond popular conceptions of western acupuncture while connecting the history of traditional chinese medicine to a lineage of racial and health justice reviews in america prior to the 1970s east asian medicine and acupuncture were essentially unknown outside of asian communities the history and acceptance of this remarkable ancient medicine into mainstream usa is certainly worthy of scholarly research with her thoughtful well researched and beautifully written book rachel pagones has provided a compelling history of the role acupuncture played in the long and continuing struggle for health and racial justice in america richard gold co founder of pacific college of health and science acupuncture as revolution is a timely publication after the murder of george floyd the profession of licensed acupuncturists and the broader integrative health movement are engaging efforts to heal entrenched diversity and equity challenges pagones guides readers into a time and story 50 years ago that adds to the scholarly literature correcting the dominant white rendition of the missions of the black panthers and the young lords she shows how to serve the health of communities broken by racism and intentional neglect these organizations and their allies in the south bronx reached outside of accepted practices to fold acupuncture into a remarkable model of community engagement acupuncture as revolution provides both acupuncturists and the integrative health movement an origin story that is a remarkable counter to the white privilege with which each is often associated john weeks author of the integrator blog and former editor in chief of the journal of alternative and complementary medicine a captivating study of how radical activists armed with an antidote to heroine withdrawal battled with elite policymakers over inequities in health and medicine provides insight into the history of the current american opioid epidemic and how acupuncture disrupted the plan it is a fascinating read for acupuncturists activists and readers who enjoy learning about events that impact national public health jennifer a m stone senior editor medical acupuncture acupuncture as revolution offers a trenchant social history of acupuncture traditional chinese medicine and their intersections with racial inequality health disparities and medical justice in the united states james doucet battle author of sweetness in the blood race risk and type 2 diabetes an engaging and timely contribution that sheds new light on acupuncture's radical lineage and its contemporary descendants in this eye opening and highly readable history pagones restores to their proper place key actors and traditions from china's barefoot doctors to the bronx's young lords this book should be read by everyone who cares about acupuncture and alternative movements to promote health andrew zitcer author of practicing cooperation mutual aid beyond capitalism

this new edition of the treatment of pain with chinese herbs and acupuncture gives a thorough and analytical review of the diagnosis and treatment options for pain using acupuncture with chinese herbal medicine based on the clinical experience of the author and supported by that of acupuncturists in chinese universities it offers a comprehensive and detailed set of treatments for a wide variety of pain symptoms and conditions and includes detailed modifications of the treatments to aid clinical practice although pain syndromes are often complicated involving both psychological and physical difficulties resulting in sometimes hesitation in deciding a correct treatment there are still some short cut ways to achieve a successful result therefore the essential

intentions of the authors are very clear to demonstrate the practitioners how to differentiate the clinical situations and how to establish the corresponding treatments to illustrate how to apply chinese herbs logically and how to consist an acupuncture prescription reasonably and effectively features thorough exploration of the aetiologies and pathologies for pain in the context of traditional chinese medicine clear discussion of the principles of treatment acupuncture point selection and combination detailed explanation of herbal and acupuncture treatments for common and complex pain conditions deals comprehensively with the commonest clinical presenting symptoms provides treatment plans and modifications to these plans offering more options for the practitioner includes detailed and useful case histories new to this edition new chapter on treatment of pain in children separate sections for the gynecologic conditions includes western named conditions red flags for practitioners to indicate situations which are potentially life threatening or dangerous suggested treatments now include acupuncture as well as herbal treatments following on from each treatment a prognosis is now provided thorough exploration of the aetiologies and pathologies for pain in the context of traditional chinese medicine clear discussion of the principles of treatment acupuncture point selection and combination detailed explanation of herbal and acupuncture treatments for common and complex pain conditions deals comprehensively with the commonest clinical presenting symptoms provides treatment plans and modifications to these plans offering more options for the practitioner includes detailed and useful case histories new chapter on treatment of pain in children separate sections for the gynecologic conditions includes western named conditions red flags for practitioners to indicate situations which are potentially life threatening or dangerous suggested treatments now include acupuncture as well as herbal treatments following on from each treatment a prognosis is now provided

this heavy duty shōtōkan encyclopedia dictionary lexicon glossary and linguistic tool teaches how to analyze and understand karate vocabulary breaks the karate terms into their building blocks and puts an emphasis on the basic main building blocks of the karate language systematically analyses over a 100 of basic karate kanji for deep understanding of the terms names and concepts corrects many conceptual and linguistic common mistakes provides links between different karate expressions presents different translations from japanese to english presents different japanese writings includes phonetic spelling refers to important sources addresses the chinese origins includes comprehensive index includes wide ranging bibliography includes 500 values 1 800 cross references 175 kanji includes special bonuses perfect for both beginners and senior instructors perfect for english speakers perfect for a clearer and deeper understanding of the karate vocabulary substantively and linguistically more information this robust karate lexicon of over 500 carefully selected representative values and references key words core commands and general vocabulary such as postures stances kata names techniques moves thrusts punches strikes blocks kicks body parts styles people places and other topics related to traditional japanese shōtōkan karate and other funakoshi karate organizations such as shotokai a perfect gift for your karate instructor fellow karate practitioners or your karate students language english paperback 325 pages item weight 1 25 pounds dimensions 7 x 0 74 x 10 inches presentation karate jargon is integral to everyday practice without solid understanding of the karate vocabulary it is easy to fall into technical and conceptual errors the purpose of this shotokan dictionary is to bring the reader closer to the karate terminology we so often use but so rarely explore this book can be described as a japanese english shotokan dictionary as well as a heavy duty professional glossary of karate terms related to funakoshi styles it can also be defined as a shotokan encyclopedia or as a karate lexicon which focuses on the linguistic aspects of karate phrases through the language we dive into karate itself although planned for senior

karate instructors absolute beginners may also benefit from this karate wordlist as for its content the main goal naturally is to translate from karate language to english the book offers various english definitions of the japanese technical terms making it a powerful japanese english dictionary of the terms used in karate sometimes the karate meaning does not overlap with the general meaning of a word if the common or general japanese translation of a karate term may be relevant we bring it as well it was seneca who said if one does not know to which port one is sailing no wind is favorable if we were to achieve a high standard of execution we cannot afford not to understand literally the karate commands a clear understanding of the karate terms is indispensable breaking down karate expressions into their building blocks does seem to achieve a deeper understanding of them this karate glossary puts a special emphasis on the important kanji including thorough kanji analysis and relevant cross references deep meanings of important shotokan expressions are sought and their links to other karate words are drawn in our opinion the references are this book s greatest virtue and we urge our dear readers to be diligent and to follow them especially when it comes to the kanji that compose the value a large part of this shotokan glossary is devoted to pronunciation issues this karate wordbook presents different kanji readings which may be very important in the case of several terms that have a common kanji critical phenomena in japanese phonology such as the rendaku rules are addressed too besides transliterations of japanese and chinese into the latin alphabet romanization rōmaji the advanced user will find logographic kanji and syllabic kana often alternative writings are presented so the reader can make better use of other sources especially japanese sources introduction during a gasshuku 合宿 training camp that took place in israel in 2022 yaniv murciano sensei was correcting his disciples kankū dai talking about the finishing double kick he asked everyone what nidan geri means when the practitioners said that it means a double kick the sensei s response was so you should kick twice not once indeed nidan geri p 184 is not tobi geri p 245 the former is less about flying the name reminds us to perform the technique better our words affect our insights and our perceptions determine the words we are using funakoshi sensei and other masters had profound knowledge not only of the chinese classics i and the japanese culture but also of the japanese language ii the names that we use in our karate trainings were not chosen lightly nor accidentally as for us those names have great significance what s in a name that which we call a rose by any other name would smell as sweet says juliet in william shakespeare s romeo and juliet in karate s case we humbly prefer confucius s iii approach in the words of the chinese philosopher feng youlan 1895 1990 iv every name possesses its own definition which designates that which makes the thing to which the name is applied be that thing and no other in other words the name is that thing s essence or concept what is pointed out by the definition of the name ruler for example is that essence which makes a ruler a ruler in the phrase let the ruler be ruler etc the first word ruler refers to ruler as a material actuality while the second ruler is the name and concept of the ideal ruler take the example of the name jitte p 111 if a day comes when they debate about how many hand movements there are in the opening of the kata the name of the kata will be there to help some are going to realize that there are ten hands meaning ten palm strikes up to the first kiai this understanding will derive from the name of the kata some of the ten hand strikes are simultaneous so the right answer they will hopefully conclude is three but why japanese one asks you can say double kick or ten hands in any language first it is a tradition second we feel connected to something bigger than our dōjō v and indeed in mutual training correspondence etc we can communicate well with people that do not speak our language the japanese parts of our karate pidgin are a common ground but most importantly studies show that language influences the way we think vi the chinese philosopher dong zhongshu 179 104 bc used etymology as a hermeneutic tool vii the present generation is ignorant about human nature giving various teachings about it

why do they not try to examine the name nature does not the name nature xīng 興 mean birth shēng 生 the capacity that one naturally has at birth is what is called the nature the nature is one's mere potential accordingly if we want to understand what it means to be a warrior we should look at the kanji for warrior that is what the chinese king zhuāng of ch 莊 7th century b c did the kanji for warrior is 戰 p 45 if one looks carefully one can see that this compound logogram is composed of the radical 止 p 271 which could mean to stop just as in our yame 嚴 p 270 and from the stem 殳 dagger axe we should never look at the command yame in the same way again putting an end to violence is indeed the highest level of the art of war that was the king's conclusion based on the logogram viii ix for us the language and the sino-japanese logograms are indispensable for understanding karate from technique to spirit the back cover text front cover shōtōkan symbol's ancient forefather karate is analogous to a tree we are sitting on a very high branch sometimes we are looking down at the stem beneath us and sometimes not anyways the important and interesting things are in the roots which are invisible to the average instructor we do not even know where our symbol came from in all my writings including the dictionary you are holding i do my best to shed light on those roots here we try to get a clearer and deeper understanding of linguistic aspects i hope you will find this book informative and useful and wish you a pleasant read adam dobrzyński tags jka gift shotokan gift karate gift shotokan basics shotokan textbook karate terminology karate vocabulary karate lexicon japanese encyclopedia terminology vocabulary language jargon lexicon karate basic words karate advanced terms karate basic terms key words and commands shotokan key terms

full of insights this work will be required reading not only for physiotherapists but any health professional who uses acupuncture in their practice

peter deadman is a well known figure in the field of chinese medicine health promotion and qigong however it wasn't always like that this memoir interspersed with many of his short stories is an account of his childhood teen rebellion hippie travelling years career in natural foods discovery of chinese medicine and the slow transition into the fine upstanding citizen he is now profits from the sale of this book will be given to the chinese medicine forestry trust

provides basic consumer health information on the nature and mechanism of pain and gives attention to common complaints associated with pain it offers practical help for living with pain and it reports on research initiatives into the cause and treatment of pain a glossary of pain related terms a directory of resources and other aids to guide pain patients seeking relief are also included
