this study explores a character type who is neither androgynous nor feminine presenting a critique of the way in which the term androgynous has been misapplied to the feminized male and through the use of reader response theory argues that this type of figure appeals to female readers because he reflects parts of themselves often ignored or outrightly ridiculed through male literary representation the book presents new arguments about characters created by james joyce ulysses ernest hemingway the sun also rises the garden of eden jack kerouac on the road and saul bellow humboldt s gift advancing a growing body of research rejecting the majority view of these four writers as antifeminine artists the feminized male whose male creator has intentionally endowed him with feminine as well as masculine qualities in an effort to explore the complexities of gender in a dialectically social via literary realm presents a powerful technique to explore challenge and re define gender not only in fiction but in everyday lives as well

for years mainstream feminist ethics focused criticism on male supremacy feminist philosophers in this volume adopt a less male focused stance to look closely at

oppression's impact on women's agency and on women's relations with women examining legal social and physical relationships these philosophers confront moral ambiguity moral compromise and complicity in perpetuating oppression combining personal experience with philosophical inquiry they vividly portray their daily engagement with oppression as both victims and perpetrators they explore such issues as how pornography silences women and radical feminist politics complicity in racism among these insightful essays sandra bartky argues that women share guilt for racism when they benefit from it without protest susan brison reflects on uses of narrative in trauma recovery from such experiences as being targeted for rape or murder joan callahan examines fallout of derogatory speech directed at lesbians virginia held proposes carrying care into marketplaces and governments and in her introduction claudia card draws on primo levi's conception of gray zones in exploring dangers of character damage to victims of misogyny a fitting companion to card's highly regarded feminist ethics this volume interweaves observations on character political ethics violence and love into an accessible sourcebook for students it tackles some of feminism's most pressing issues and helps readers to identify and then overcome the real damage caused by oppression

what is motivating her to feminize him a geek named joss working on his phd thesis on motivation rents a house away from the noise and takes in a roommate named marcy to help pay the bills little does he know how lucky he will be to have marcy as his roommate she is another phd candidate also working on a thesis about motivation gorgeous and intelligent marcy motivates joss to discover things he never would have dreamed of and they learn about motivation love sensuality and femininity she soon has joss fully crossdressed and feminized to experience life as jossie a desirable girl rather than his geek self will he be motivated to become the geek again when their experimenting is over or will he be destined to live his life fully feminized forever which will he choose does he in fact have a choice immerse yourself in the vivid experiences of joss as he tells the tale of his crossdressing and feminization while falling in love in this new adult lgbt transgender crossdressing feminization first time short read romance
