consorting with terrorists and the abuse of presidential power yet despite the enormity of the issues the affair dropped from the public radar due to media overkill years of legal wrangling and a vigorous campaign to forestall another watergate as a result many americans failed to grasp the scandal's full import through exhaustive use of declassified documents previously unavailable investigative materials and wide ranging interviews malcolm byrne revisits this largely forgotten and misrepresented episode placing the events in their historical and political context notably the cold war and a sharp partisan domestic divide he explores what made the affair possible and meticulously relates how it unfolded including clarifying minor myths about cakes keys bibles diversion memos and shredding parties iran contra demonstrates that far from being a junta against the president the affair could not have occurred without awareness and approval at the very top of the u s government byrne reveals an unmistakable pattern of dubious behavior including potentially illegal conduct by the president vice president the secretaries of state and defense the cia director and others that formed the true core of the scandal given the lack of meaningful consequences for those involved the volume raises critical questions about the ability of our current system of checks and balances to address presidential abuses of power and about the possibility of similar outbreaks in the future

this explosive book lays bare the personalities and institutional relations behind the headlines it goes beyond the recent events to discern the roots of contemporary u s covert activity within the past two decades the iran contra connection delves in to the details of cia and extra cia operations including drug trafficking gun running government toppling and assassination the iran contra scandal is not merely a plan gone awry the authors argue but a consistent outgrowth of a long tradition of u s covert activity from the bay of pigs invasion teams to the nsc organizational team from the cia and the world anti communist league to the israeli connection and the state department
