this book explores portrayals of anne frank in american literature where she is often invoked if problematically as a means of encouraging readers to think widely about persecution genocide and victimisation often in relation to gender ethnicity and race it shows how literary representations of anne frank in america over the past 50 years reflect the continued dominance of the american dramatic adaptations of frank's diary in the 1950s and argues that authors feel compelled to engage with the problematic elements of these adaptations and their iconic power at the same time though literary representations of frank are associated with the adaptations critics often assume that these texts unquestioningly perpetuate the problems with the adaptations this is not true this book examines how american authors represent frank in order to negotiate difficult questions relating to representation of the holocaust in america and in order to consider gender coming of age and forms of inequality in american culture in various historical moments and of course to consider the ways frank herself is represented in america this book argues that the most compelling representations of frank in american literature are alert to their own limitations and may caution against making frank a universal symbol of goodness or setting up too easy identifications with her it will be of great interest to researchers and students of frank the holocaust in american fiction and culture gender studies life writing young adult fiction and ethics

offers both a sociohistorical perspective and a sociological analysis to provide insights into u.s. diversity parrillo addresses topics that generate more passionate invective and raucous debate than all others in american society today is multiculturalism a threat to us should immigration be more closely controlled are we no longer sufficiently american and why parrillo uses history and sociology to shed light on socially constructed myths about our past misunderstandings from our present and anxieties about our future from publisher description

the encyclopedia lists essential data on all catholic colleges and universities and on all religious institutions of men and women but it was not feasible to have a separate entry on each therefore a representative selection was made and articles were written on some of the larger and smaller colleges and universities and the same procedure was adopted with the religious orders and congregations unfortunately space did not permit the

inclusion of every important person or event in american catholic history introduction
