a study of psalms echoed in paul s letters offering a reinterpretation of the new testament s reception of the old testament

in her twenty years of coaching employees and executives in leadership and team development dr tammy dewar has often guided her clients through the stormy seas of office dysfunction during the course of this work she s heard about many bosses sadly most of the stories have been negative there have been mean bosses bullying bosses unfair bosses unethical bosses cheap bosses inept bosses the list goes on and on in fact one of the main themes she s encountered in her work is that it is bosses who are making lives miserable but the day she asked a group of disgruntled workers what forgiveness for their errant boss might look like a light went on as a self described recovering festerer herself dr dewar began to encourage her clients to apply a series of simple practical techniques that would free them from the oppression of uselessly held grudges and how to forgive your boss was born this lively breezy and eminently helpful

manual on reconfiguring negative thought patterns into positive ones will most certainly be a great help to anyone who s ever had a bad boss but its intelligent practices can also be applied to any negative counter productive thinking that s creating heavy baggage to drag around

the rapid expansion of the internet has fueled the emergence of electronic government at all levels in canada e government s first decade featured online service underpinned by a technically secure infrastructure this service security nexus entails internal governance reforms aimed at realizing more customer centric delivery via integration and coordination across departments and agencies yet as online networking has become more pervasive and public demands for participation rise pressures for greater openness and accountability intensify the result is widening experimentation with online democracy the e governance focus is thus shifting toward issues of transparency and trust and new possibilities for re conceptualizing how power is organized and deployed in sum the prospects for digital transformation involve the interplay of these four dimensions service security transparency and trust this book identifies the main drivers of e government assesses the responses of canada s public sector to date and sketches out the major challenges and choices that lie ahead the findings will be of interest to those studying or working in the world of public sector management and e governance published in english
