in actual fact the advanced educated cathar perfecti professed one thing while believing something entirely different this book a cathar gnostic codex gives some specific insights into the dualist gnostic cathar philosophy be it terse blunt to the point it is certainly not meant to convey anywhere near the entire cathar teachings and yet it does convey much that was the heart and soul of that burnt out religion of love catharism was the only major religion which was totally committed to pure unconditional love for everybody and everything everywhere in that respect they were indeed unique for all religions profess love to varying degrees while sadly latent hate simmers quietly below the surface hence our many wars of religious intolerance the cathars believed in love which was based on respect for all of humanity man tree and beast they were also well aware of the complete incompatibility of power and love so it came down to roma versus amor any cathars who were in any way unsure of this maxim had the lesson burned into them at the stake thousands of cathars took a roasting literally by the church so it must raise a few clerical eyebrows to see this modern day resurgence of that despised heresy catharism as can be surmised from the codex catharism is a philosophy that is too high and remote to be constrained and manacled by the strictured doctrines of religion of which the world has more than enough varieties no doubt though some controlling males will try it on with another stone church erected somewhere catharism cannot be closeted indoors for it lets loose the mind and full frees the soul begone to the religious controls of heaven and hell the day of judgement away with the abrahamic faiths one shot at life be it the most miserable of existences while you or i have never had it so good compared to the fair and just system of reincarnation where we will all experience the full gamut of life experiences the one life that s it rather than deific justice and goodness smacks more of beatific inhumanity to man contrary wise the cathars held the belief that we will return until we perfect ourselves by learning to love unconditionally the cathars as well returned the beauty intelligence and refinement of women to equal place with men after being banished by the church for some 600 years love was back here to stay thanks to the cathars unknown to them today they would be considered egalitarian feminists environmentalists and reincarnationists which they merely considered should be the normal mode of existence for all this book a cathar gnostic codex speaks a relatively little but says a damned lot for those it is meant for it will eventually seek you out by emanation however not all are ready for the this newly arisen cathar phoenix being resurrected from the many ashes and cinders which was their medieval fate thankfully it is somewhat more difficult these days to burn out an idea or ideal which has returned for the betterment of humankind

this codex is not meant for the exultation nor denunciation of any belief rather it offers a partial explanation into some of the deeper mystical aspects of cathar gnostic philosophy as understood by the advanced educated perfecti another reason is to dispel the view that catharism is a pessimistic philosophy rather than possible damnation of the soul their beliefs ascended for they yearned desperately for the reunion of the divine spark our unchanging individuality our very essence as distinct from our soul with the source birth death re birth until eventually all will be re united with the source to me no salvation no damnation but eventual joy for all equals no pessimism please consider this codex a mere insight into gnostic catharism realising the roots of this gnostic knowledge have far more ancient origins the primary purpose for this codex is to assist those it is destined for to make or take from the codex whatever is of benefit
