the classic greek lexicon which has proved invaluable to generations of greek testament students and scholars it provides for each new testament word its derivation the hebrew it represents if found in the septuagint its original and derived meanings with illustrations from biblical classical and modern greek the general sense in which it is used in the papyri its grammatical constructions and references to other works in which it is discussed there are also appendices of the irregular verbs of the greek new testament and an alphabetical list of verbal forms

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

excerpt from a manual greek lexicon of the new testament the need of a new greek english lexicon of the new testament will hardly be questioned thayer s monumental work deservedly the standard for more than thirty years past and supplemented by later literature still likely to remain a standard of reference for sometime to come was rather too bulky to serve as a table companion to the new testament for the average man a smaller book which would lend itself more readily to constant reference has

been a real and growing want for the student about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
