what is church s true foundation was the christian church founded by jesus or does the eucharist make the church paul avis sets out his own answer to these questions gathering a wide range of critical scholarship he argues that there is something solid and dependable at the foundation of the church s life and mission avis argues that jesus wanted a church in a sense but not as we know it christ proclaimed the gospel of the kingdom and his disciples proclaimed the gospel whose content was jesus himself the kingdom in person the church is battered and divided but at its core is a treasure that is indestructible the gospel of christ embodied in word and sacrament a central theme of the book is the relationship between the church and christ the church and the gospel the church and the kingdom jesus christ crucified and risen is the sole foundation of the church but he cannot be without his people
