the black forest

a collection of folk tales based around villages in germany s black forest

the black forest

a night on the borders of the black forest by amelia ann blanford edwards published by
good press good press publishes a wide range of titles that encompasses every genre
from well known classics literary fiction and non fiction to forgotten or yet undiscovered
gems of world literature we issue the books that need to be read each good press
edition has been meticulously edited and formatted to boost readability for all e
readers and devices our goal is to produce ebooks that are user friendly and accessible
to everyone in a high quality digital format

omnibus edition with both black forest bound and black forest burning included

the black forest is one of the most famous walking areas in europe the westweg was
europe s first waymarked long distance footpath route and dates from 1900 65 years
before england s pennine way it is an area of superb forest with fine ridge walking and
above the rhine valley some magnificent high level walking with panoramic views it is
an area of rich history and culture with a fine tradition of hospitality part one discovering
the black forest will whet the appetite of the reader in describing the special attractions
of the area part two planning a trip deals with the practicalities of planning a walking
tour in this part of germany part three the ortenauer wine path and the clock carrier s
way two fine trails which can be planned with overnight luggage carried each day
between accommodation

showcases germany s black forest region through color photographs of its geography
people traditions social life historic buildings and cuisine along with commentaries on
some of its special features

venture into the shadows and ancient forests of germany with amelia ann blanford
edwards s a night on the borders of the black forest a collection of captivating short
stories steeped in atmosphere and intrigue edwards known for her travel writing and
keen observations blends elements of gothic fiction and german folklore to create a
tapestry of unsettling tales these stories evoke the haunting beauty and mysterious
depths of the black forest exploring themes of isolation superstition and the uncanny
experience a world where reality blurs with legend and the darkness holds secrets best
left undisturbed this carefully prepared edition preserves the original text offering
readers a glimpse into a bygone era of storytelling and a journey to a place where the

line between the natural and supernatural is perilously thin perfect for those who appreciate classic short stories and the chilling allure of gothic fiction this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
