the various manifestations of coerced labour between the opening up of the atlantic world and the formal creation of haiti

reprint of the original first published in 1881 the antigonos publishing house specialises in the publication of reprints of historical books we make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

so far histories of historiography have concentrated almost exclusively on the west this is the first book to offer a history of modern historiography from a global perspective tracing the transformation of historical writings over the past two and half centuries the book portrays the transformation of historical writings under the effect of professionalization which served as a model not only for western but also for much of non western historical studies at the same time it critically examines the reactions in post modern and post colonial thought to established conceptions of scientific historiography a main theme of the book is how historians in the non western world not only adopted or adapted western ideas but also explored different approaches rooted in their own cultures

first published in 1976 j m robert s the new history of the world is a one of the landmark works of our era it has been fully revised and updated to offer a substantial authoritative and truly global narrative of world history

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

a history of the world from the stone age to the world war i from the dawn of civilization to the height of european power over the birth prosperities and declines of empires on four continents this compact world history book takes a fascinating journey through the most significant events in history and shows you the cultural achievements of people countries and civilizations long forgotten discover the history of the world anew and get a basic understanding of the times and the developments of historical periods each area of the world has a unique history and you will learn the glory and downfalls of great empires and their leaders this world history book for learners will give you an unhindered perspective of world history through this book you will learn of true cultures and understand the historical timeline of countries and areas here is a sneak peek of what you will learn ancient history antiquity including the history of egypt greece and rome a complete history of europe until ww1 asian history including the history of china india and japan pre columbian history american history the development of the most important civilizations of mankind

university press returns with another short and captivating story a brief history of the world any summary of world history is bound to be laughably crude and incomplete even multi volume or semester long attempts to

distill the innumerable events of our watery planet fail to capture the fullness and depth of the story but this is no reason to abandon the pursuit of historical knowledge history is a story it grants us access to the laboratory of human experience it helps us understand people societies and our connections to them it contributes to empathy and moral understanding history teaches us how the world works this world history book is shorter than most and therefore it is even cruder and more incomplete than most if you have the time to read a multi volume history of the world we recommend that you do but in the meantime this short book tells an abbreviated version of the unlikely story of the forces events and people that have changed the world a version that you can read in about an hour

the concise encyclopedia of world history offers the global reading public students and professors a handy complete and accurate guide to all political formations since the beginning of history it reaches into pre history through the inclusion of the important families of languages spoken today it also tracks ethnic groups especially nomadic which have been influential in the creation of civilizations and states the entries on existing independent states include up to date political facts and statistics they mention each country s world heritage sites to complement the individual entries in this encyclopedia there is an extensive commentated world historical chronology a special feature in this work is the inclusion of individual political chronologies for ancient civilizations and important countries and regions the world over to round out this easy to consult and thoroughly researched work there is a cross referenced index especially designed for provinces cities and other entities which have no entries of their own but appear in the entries sometimes prominently as for example abu dhabi in the united arab emirates or amritsar in india

presents a history of the world from the ancient civilizations of the middle and far east to the modern world of the late twentieth century includes maps and illustrations

history books often consist of boring facts and stories that can bore even the most enthusiastic reader not with this book discover the history of the world anew and get a basic understanding of the times and developments of historical periods from the beginning of civilization and alexander the great to the first world war each section takes you on an adventure through time to discover the most important moments in history and how they shaped civilization today from the dawn of civilization to the height of european power over the birth prosperities and declines of empires on four continents this world history book takes a fascinating journey through the most significant events in history and shows you the cultural achievements of people countries and civilizations long forgotten each area of the world has a unique history and you will learn the glory and downfalls of great empires and their leaders here is a short preview of what you will learn an overview of the history of mankind ancient history and their most important civilizations including the history of egypt the history of greece and the history of roman empire asian history that includes japanese history chinese history and indian history extensive european history from antiquity to modern times discover the history of england the history of france the history of germany and russian history american history including pre columbian the history of the aztecs and incas civilization history and old empires at war unites states history american history including the rise of the united states and civil war history the development of the modern world from the renaissance italy to the industrial revolution discover anew our ancient origins the history of colonialism world war i prelude and military history

and much more this world history book for learners will give you an unhindered perspective of world history and you will learn of true cultures and understand the historical timeline of countries and areas by reading this book you can deepen your knowledge and you will be able to get an unbiased overview of events from the past so that today's cultures and current events make more sense
