throughout my journey art has been a path of healing and transformation with each new work i strive to create effects that go beyond aesthetics providing a physical emotional and spiritual experience for those who come close to this art places like hauser wirth almine rech and the immersive hidden gallery have been fundamental to the art world as they evoke art s transformative power other notable galleries such as gazelli art house the london science gallery and the daring eternal art open doors to a new way of thinking and feeling the impact of art much like the art i create moreover spaces like cag vancouver galerie ropac and the modern have taught me to view art as a dialogue with the viewer expanding my understanding of the effects art can have on people initiatives like the affordable art fair rise art and the engaging ica challenge us to go beyond the conventional demonstrating how art can be accessible universal and profoundly personal the saatchi art platform and the innovative project at pace gallery open up opportunities for emerging artists to bring their voices to a global audience in events like frieze and art dubai i see true celebrations of contemporary art that inspire me to constantly seek new forms of expression and connection other institutions such as baltic art wilson center gagosian and the ever inspiring eden gallery represent pillars of learning for me each of these spaces from the national gallery ica san diego and creative growth to more intimate exhibitions like those at sultan gallery are part of a vast network of support and inspiration that strengthens the art world finally i am profoundly grateful for the movements and collaborations in places like chihuly kala and the iconic guggenheim which remind us of the boundless possibilities within art other centers such as made4art contemporary calgary and the careful curation at kasmin gallery reinforce my commitment to art as a channel for healing and spiritual connection it is with this deep admiration for spaces like the south london gallery agora gallery van art gallery

monterone art and many others that i created this book it is an expression of my gratitude to these galleries which over the years have been an invaluable source of learning and inspiration may this work serve as a bridge to new projects of healing and elevation carrying the same transformative energy that these places promote according to the report the art basel and ubs survey of global collecting in 2024 there has been a surge in interest in emerging artists in 2024 with 52 of hnwis directing their spending towards emerging artists highlighting a trend towards investing in new voices high demand for multi channel sales dealers remain the top choice for hnwis with 95 purchasing through galleries online and social media generational wealth transfer and collecting preferences with an estimated 6 trillion in wealth projected to transfer to younger generations over the next 20 years many heirs are showing a greater preference for diverse and experience rich investments such as transformative and healing art

western society has become saturated with scientific and technological modes of thinking that impact our lives and our relationships expanding social inequality the use of social media and the rise of mental illnesses such as anxiety and depression are manifestations of this shift in our civilization our battle for the human spirit is a comprehensive probe into what is happening to human life in the beginning of the 21st century it explores how culture experience and symbolization have been replaced by scientific discipline based approaches willem h vanderburg argues that these approaches are inadequate in understanding the complexity of human lives and societies in order to transcend these limits vanderburg calls for the reintegration of culture and symbolization into our daily lives
