ok2bg is narrative nonfiction a memoir about a guy who wants to be a mentor preferably to a teenager so
they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost
in order to help both the teenager as well as the determined subject of this story realize their unique potential
find or reinforce their place in the world overall a chronicle about the author's attempt over several years to

understand the question of why do i want to be a mentor which eventually helps him become a more insightful person subsequently in september 2010 after a plague of teen suicides jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying after 5 years jack has categorized 2 000 books in the form of memoirs biographies autobiographies written by or about 1 000 allegedly gay men the primary message in ok2bg is to read reassess before you run asunder
