Dr Feldman's book is jam packed with interesting information you will get a basic understanding of  
how and why we and the people around us behave the way we do a must have book for any  
personal library Louis Puglisi MA I found Dr Feldman's book to be very informative he cuts through the  
professional jargon and makes it easily understandable for the lay person it is an invaluable reference  
book for every household Gabor Kovacs MD FACS After reading Dr Feldman's book I feel it should be  
mandatory reading for all parents in a world of confusion about psychological labels this book gives  
the reader a clear understanding of the problems and conditions we all face for those of us dealing  
with people under stress at work or home this book is a valuable tool Edward M Portnoy DMD As a  
health care professional I know it is important for patients and their families to become educated  
consumers in recognizing and dealing with abnormal psychological or psychiatric conditions with the  
assistance of Dr Feldman's comprehensive and easy to read book individuals will hopefully seek  
professional treatment sooner and be willing to partner with their health care providers to achieve a  
more successful outcome Roberta Kiel RN MPH

big business makes big money selling a phony notion of what we want and need as sexual people ads insist that certain products will make us more sexually appealing but what we really want and need is true intimacy the knowledge that we matter to another person and are loved for who we are we all are sexual beings all of our lives and relate to each other sexually all the time god marvelously made us this way using the metaphor of sexuality as a good gift from god this book offers christian resources for living a sexually healthy and fulfilling life extraordinarily comprehensive nuanced and sensitive even richer than its predecessor it is a splendid resource for all christians who wish to live more deeply in gratitude to god for their own sexuality james b nelson professor emeritus of christian ethics united theological seminary of the twin cities an important contribution to christians seeking to celebrate their sexuality with holiness and integrity the rev debra w haffner executive director religious institute westport connecticut

expanding upon and updating the first edition this comprehensive guide instructs readers on how to effectively conduct psychological assessment and testing in their practice efficiently advancing a case from the initial referral and clinical interview through the testing process and leading to informed diagnosis and treatment recommendations this second edition incorporates updated editions of all major tests pertinent revisions from the dsm 5 more in depth analysis of testing topics and coverage of new constructs that are the targets of psychological testing relevant to outpatient mental health practice readers will learn about the fundamentals of assessment testing and psychological measurement the complete process of psychological testing using a broad range of major tests supplemented by interpretive flowcharts and case examples downloadable practice and report forms along with data tables with pre drafted interpretive excerpts for all tests are also available for immediate use in clinical practice psychologists in both practice and training will come away with the tools and knowledge needed to successfully conduct psychological assessment and testing within the contemporary mental health field

women s lives a psychological exploration 3rd edition draws on a wealth of the literature to present a rich range of experiences and issues of relevance to girls and women this text offers the unique combination of a chronological approach to gender that is embedded within topical chapters cutting edge and comprehensive each chapter integrates current material on women differing in age ethnicity social class nationality sexual orientation and ableness the third edition reflects substantial changes in the field while maintaining its empirical focus through engaging writing student activities and critical thinking exercises with over 2 100 new references emphasizing the latest research and theories the authors continue to pique interests in psychology of women

this engaging comprehensive introduction to the field of personality psychology integrates discussion of personality theories research assessment techniques and applications of specific theories the psychology of personality introduces students to many important figures in the field and covers both classic and contemporary issues and research the second edition reflects significant changes in the field but retains many of the special features that made it a textbook from which instructors found

easy to teach and students found easy to learn bernardo carducci s passion for the study of personality is evident on every page

social problems explores the consequences of symbolic interactionism in society a theory which contends that people attach meanings to symbols such as language or gestures and base their behaviors on their interpretations of these meanings norman a dolch linda deutschmann and helen powell compile a number of critical and innovative essays that explore different aspects of society including mental illness race relations terrorism and family life

designed to help students become jazzed about reading this introductory to intermediate reading text provides motivating and engaging readings selected to grab the reader s attention reading and all that jazz third edition also features clear explanations and a wide variety of well developed practice exercises designed to provoke genuine thinking interpretation and even some improvisation on the part of the student and the instructor the theme of jazz encourages a positive exciting personally involved approach to reading and learning

drug use and abuse takes an interdisciplinary approach in its coverage of current drug issues it weaves psychological historical cultural social biological and medical perspectives emphasizing the idea that a drug s effects depend not only on its properties but also on the biological and psychological characteristics of its user this theme is highlighted throughout and is prominent in discussions of the individual classes of drugs as well as in the chapters on pharmacology and psychopharmacology this fourth edition features enhanced coverage of prevention and treatment and provides updates on such contemporary issues as designer drugs and the prevalence of usage it also features a new 4 color design questions at the beginning of each chapter that draw students into the text and the clear writing style that has made previous editions so accessible to students at all levels

kumar physical therapy u of alberta attempts to draw the attention of entry level professionals the aspects of rehabilitation that affect their clients he presents 16 contributions that explore such topics as teamwork and team ethics in rehabilitation clinical reasoning and the decision making process the details of case management subjective issues of attitudes cultural diversity and health behavior assessment of function and vocational rehabilitation the role of rehabilitation professional as consultants to business and industry and administrative and legal issues annotation copyrighted by book news inc portland or
