in this prophetic call to the evangelical church wells stresses that christians need to confess christ as the center in a society lacking a center as the sovereign in a world seemingly ruled by chance and as the one who can give meaning in a nihilistic culture

every group within christianity has its own opinions on what christianity really is but who is right if anyone with the letter to the colossians we have an opportunity to find an answer paul compares christianity to another worldview and argues that christianity is better this book uses that comparison in order to understand paul's christian worldview in this book you will also find answers to some very difficult questions 1 what is god's ultimate purpose for humanity 2 do we just do things because god told us to 3 why does paul tell wives to obey their husbands 4 why does paul tell slaves to obey their masters 5 why does god care what we do at all 6 why does god command these particular actions 7 why would we want to follow god's commands anyway 8 how does following god's commands actually make us better people christianity is the point at which god

acted through christ to fix what was wrong with creation and bring the whole story to a different conclusion in this book you will see the big picture of christianity and how all the dots connect from start to finish

a heart for god s glory the revival of a god centered faith in a self centered world is a personal journey and a biblical theological historical study regarding the urgent need to recover our divinely created purpose to glorify god by passionately loving him and finding our greatest satisfaction in him

religion no longer plays a dominant role in the everyday consciousness of modern western society few people recognize the underlying role of religious beliefs and practices in their life choices stephen strehle shows the significance and ongoing influence of religion in contemporary life by revealing the sacred roots of modern political ideas in the sixteenth and seventeenth centuries he discusses the role of the church in government probing into the sources of democratic federal and egalitarian ideas on the continent of europe during the reformation the separation of church and state in america and the diminished power of the church of england were the culmination of secular forces evolving since the enlightenment this secular view of life represents the basic mentality of the culture and the government in general yet there is much to contradict it the last half of the twentieth century witnessed a surge of grassroots movements from all sides of the political religious spectrum these included the civil rights movement of the 1960s and the moral majority of the 1980s both of which provided an effective challenge to a simple separation of the two realms strehle explores some of the most cherished political ideals of modern society including equality and democracy liberty and natural rights progress and capitalism federalism and mixed government he does not dismiss the vital contribution of other possible sources of inspiration from the world of religion or undermine the well established place of secular sources but he does show that certain ideas associated with the religious community have left an indelible mark upon significant aspects of the emerging american landscape

designed to empower preachers as they lead congregations to connect their lives to scripture connections features a broad set of interpretive tools that provide commentary and worship aids on the revised common lectionary this nine volume series offers creative commentary on each reading in the three year lectionary cycle by viewing that reading through the lens of its connections to the rest of scripture and then seeing the reading through the lenses of culture film fiction ethics and other aspects of contemporary life commentaries on the psalms make connections to the other readings and to the congregations experience of worship connections is published in partnership with austin presbyterian theological seminary
