deep within man dwell those slumbering powers powers that would astonish him that he never dreamed of possessing forces that would revolutionize his life if aroused and put into action orison swett marden what if god had given all the secrets to success when you had reached the age of 5 what if 1 book can challenge the very foundation of society of what exists today you would fail to believe that all the enlightenment shown by great wise teachers who are old and have long beards was already in you before you entered school all the time you ever wasted running after people and books was already there in you i don't intend to be your guru by revealing my true identity but someone who just opens your eyes and makes you recall all the powers which were deep embedded in you for a long time

i am not writing this book to generate money for myself nonfiction book royalties can be good but one can't subsist on these i am writing this text because i look around every day and see such sadness in many people because they are not happy with their lives monetarily i talk to people who express this and see people on the street who obviously need help mostly through friends i hear their stories of lost jobs their children who graduated college some with master degrees and can't find meaningful work some who can't even work in fast food restaurants when i first got the idea of helping people with a text dealing with how to change your life monetarily i wanted it to be a simple here is how first do this and then do that however as i gave more and more thought to the book i realized the success of generating a lot of money was based on my life's experience starting when i was seven years old after giving much thought to my personal success i realized i was following my life's personal endeavor to achieve wealth and happiness which go together this success started at age seven and continues today in other words my autobiography many close friends and family have urged me over the decades to write about my life as it has been very unusual sometimes downright exciting i have responded with an emphatic no after all i'm not famous i'm just another grain of sand in an ocean of sand within the vast world we live in one night while having dinner at one of my favorite restaurants the sandbar in la quinta california a lady approached me and said i recognize you from television but can't remember who you are i responded back no you are mistaken i'm not in show business she looked at me closely and said you mean you are a no body i

I'll never forget that because she was right in me, a nobody, so whenever I'm asked to write about myself, I remember what she said. This changed when deciding to write about changing your life forever monetarily. I started my adventure at seven years of age and over the decades made and lost millions. I generated in today's money fifteen million dollars over a thirteen-year period. The first time around, I lost nearly all of it in thirty seconds when I responded to a question asked by my attorney, responding with the word "no" instead of "yes." This is getting into the story, so I'll let my reader discover it in sequence, and yes, I generated it back, and this is why I'm writing this text so you too can do the same.
