three years have passed since the second edition of this book was published the field of it  
outsourcing continues to grow in practice as well as in academia and draws further attention  
in both domains aspects of traditional outsourcing part ii have remained pronounced but are  
becoming more mature while o sourcing determinants are still important they are now of less  
interest to researchers relationship management chap 1 and capability management chap 2  
continue to be of interest so too are outsourcing outcomes chap 3 and as a new focus  
innovation aspects chap 4 these are motivating more and more research activities  
complementing the lifecycle of traditional o sourcing we note significant growth in the field  
of it offshoring part ii in our third edition we offer research results on offshoring patterns and  
trends chap 5 the crucial aspect of knowledge sharing chap 6 vibrant examples for offshoring  
dynamics chap 7 and some new contributions on the deter nants of offshoring success chap 8  
the last part of our book investigates the field of business process outsourcing part iii in this  
section issues such as standardization process outsourcing to india and deinstitutionalization  
patterns in the health care sector are presented given these new subjects we believe that  
enduring themes global challenges and process opportunities is an appropriate subtitle for  
this third edition of the monograph again we have thoughtfully compiled contem rary
