the leading textbook on pain management a doody's core title 4 star doody's review this is an extraordinarily well written and comprehensive book it expands considerably on the first edition and with its multifaceted and multidisciplinary perspective it should be an invaluable addition to the library of any practitioner of pain medicine doody's review service this comprehensive resource covers every aspect of diagnosing and treating specific pain conditions and syndromes features a concise introduction to basic concepts in pain management plus an expanded section on evaluation and assessment techniques

the federal special prosecutor unprincipled abuser of power or staunch defender of the law as katy harriger shows the special prosecutor was a hotly debated and controversial subject throughout much of its existence this was especially true she argues during the lengthy expensive and highly politicized investigations of lawrence walsh and kenneth starr into allegations concerning presidents ronald reagan and bill clinton harriger offers the most complete assessment available of the use of special prosecutors in the post watergate era she analyzes the independent counsel's role within the framework of the separation of powers explaining how each has interacted with other key players in the political and legal system and showing how those relationships have affected the prosecutor's ability to conduct investigations harriger's

previous edition focused on the legacy of watergate but was published before walsh s iran contra investigations were concluded her new study adds substantially more information on iran contra provides a clearheaded appraisal of starr s sensationalized whitewater lewinsky investigations examines a number of senior level cabinet probes and critiques and clarifies the role of attorney general janet reno in these latter matters a completely new chapter compares iran contra and whitewater lewinsky to explore the limits of the law in the special prosecutor s efforts in this new edition harriger includes 20 new interviews with washington insiders including one with kenneth starr and covers the debates that led to both the reauthorization of the independent counsel statute in 1994 and its demise in 1999 she then examines the pros and cons of the office and offers constructive suggestions for improvement should it be revived for students scholars and concerned citizens her book takes us well beyond frenzied media hype and partisan politics to provide a timely reminder about the crucial role of separation of powers in our system of governance

appearance performance skills confidence all are winning and attainable traits that will help you land the job you want you can acquire these skills by perusing job interviews for dummies this revised edition incorporates a multitude of updates and covers all the bases in getting employers to say you re the one written for all job seekers new entrants midlevel people very experienced individuals and technical and non technical job seekers job interviews for dummies is packed with the building blocks of show stopping interviews these range from strategies and techniques to sample dialogue and research tips interviewing for a job is kind of like a stage performance and if you want metaphorical standing ovations then follow the guidelines offered in these pages in this book you ll explore the basics of interviewing from how to dress to how to answer all sorts of questions questions about you your interest in the company your experience you education and training your skills your age and questions they shouldn t ask but sometimes do anyway you ll also uncover information about practicing for your interview and why it s so important recognizing the mind games of job testing wooing reviewers who give you references identifying various interviewing scenarios you should expect answering questions to sell yourself understanding the new interviewing technology such as telephone interviews and video transmissions on the stress scale interviewing for a job ranks with making speeches before a vegetable throwing crowd stress is such a big issue that some interviewees take tranquilizers or beta blockers to reduce it a better way exists master the job interviewing process get the winning ways down pat and you ll have a special kind of insurance the rest of your working days this guide can help
