taking english culture as its representative sample the secret history of domesticity asks how the modern notion of the public private relation emerged in the seventeenth and eighteenth centuries treating that relation as a crucial instance of the modern division of knowledge michael mckeon narrates its pre history along with that of its essential component domesticity this narrative draws upon the entire spectrum of english people s experience at the most public extreme are political developments like the formation of civil society over against the state the rise of contractual thinking and the devolution of absolutism from monarch to individual subject the middle range of experience takes in the influence of protestant and scientific thought the printed publication of the private the conceptualization of virtual publics

society public opinion the market and the capitalization of production the decline of the domestic economy and the increase in the sexual division of labor the most private pole of experience involves the privatization of marriage the family and the household and the complex entanglement of femininity interiority subjectivity and sexuality mckeeon accounts for how the relationship between public and private experience first became intelligible as a variable interaction of distinct modes of being not a static dichotomy but a tool to think with richly illustrated with nearly 100 images including paintings engravings woodcuts and a representative selection of architectural floor plans for domestic interiors this volume reads graphic forms to emphasize how susceptible the public private relation was to concrete and spatial representation mckeeon is similarly attentive to how literary forms evoked a tangible sense of public private relations among them figurative imagery allegorical narration parody the author character reader dialectic aesthetic distance and free indirect discourse he also finds a structural analogue for the emergence of the modern public private relation in the conjunction of what contemporaries called the secret history and the domestic novel a capacious and synthetic historical investigation the secret history of domesticity exemplifies how the methods of literary interpretation and historical analysis can inform and enrich one another

one of the south's most urgent priorities in the civil war was obtaining the recognition of foreign governments edwin de leon a confederate propagandist charged with wooing britain and france opens up this vital dimension of the war in the earliest known account by a confederate foreign agent first published in the new york citizen in 1867-68 de leon's memoir subsequently sank out of sight until its recent rediscovery by william c davis one of the civil war field's true luminaries both reflective and engaging it brims with insights and immediacy lacking in other works covering everything from the diplomatic impact of the battle of bull run to the candid opinions of lord palmerston to the progress of secret negotiations at vichy de leon discusses among other things the strong stand against slavery by the french and a frustrating policy of inaction by the british as well as the troubling perceptions of some europeans that the confederacy was located in south america and that most americans were a cross between davy crockett and sam slick with france's recognition a priority de leon published pamphlets and used french journals in a futile attempt to sway popular opinion and pressure the government of napoleon iii his interpretation of the latter's meeting with confederate diplomat john slidell and the eventual mediation proposal sheds new light on that signal event de leon was a keen observer and a bit of a gossip and his opinionated details and character portraits help shed light on the dark crevices of the south's doomed diplomatic efforts and provide our only inside look at the workings of napoleon's court and parliament regarding the confederate cause davis adds an illuminating introduction that places de leon's career in historical context reveals much about his propagandist strategies and traces the history of the secret history itself together they open up a provocative new window on the civil war

you don't have to paddle up the headwaters of the orinoco to be surprised by something utterly amazing you don't have to search the markets of samarkand and trawl the back streets of mandalay to find the almost unbelievable the compellingly curious the utterly enlightening or the irresistibly odd you just have to look in your own store cupboard your food and drink your household appliances your medicines your own home and street in your country your business your daily transport the very words you use every day that's what this book is about

finding the utterly extraordinary in the ordinary dip into any of the topics and you'll soon be hooked time to make the mundane marvellous

following on from the success of volume 1 Friedrich Georg's second book in the series covers unconventional short and medium range weapons in particular this volume includes a wealth of information about the V rocket programme not just the more familiar V1 and V2 but special variants of these two rockets as well as later experimental craft and weaponry following a fascinating examination of pre war efforts to build flying bombs the author examines the V1 and V2 projects in great detail particular attention is paid to special variants that have previously received little coverage these include the V2A4 America rocket and V2s designed to carry nuclear and radiological warheads the capability of the Germans to deploy such weapons is also discussed a large number of weird and wonderful projects that never left the drawing board are examined including the Fr 35 V6 V101 Waterfall and Naval Emw A7 rockets the fascinating final section examines German plans to utilise such rocketry against London and Paris in 1945 as well as recounting the activities of V weapons on other fronts including Italy Yugoslavia and the Eastern front the text is supported by B&W photographs and 16 superb pages of colour artwork including profiles computer generated images of designs that never flew and pictures of the author's own models

since its first publication in 2008 the Secret History of the World has sold over 250 000 copies and established itself as the authoritative text on the subject of esoteric belief systems and secret societies now with the Illustrated Secret History of the World this landmark book achieves a new level of authority adding to its thorough and revealing text more than 350 illustrations many of them rare of the symbols drawings engravings paintings and photographs that are a key part of the world's secret history this richly illustrated edition features exclusive new material to accompany the original text in a beautiful package and oversized format the Illustrated Secret History of the World presents a radical re interpretation of human existence and a view of the world previously hidden from us featuring alchemists freemasonsthe illuminatithe garden of edenthe knights templarthe looking glass universethe gods who loved womenthe green kingthe prophetsthe sphinx the timelockthe neolithic alexanderzarathustrathe rise of the magi lucifernostics shamansmohammed and gabrielfrancis bacon and the green onethe rosicrucian age the seven seals the new jerusalemand much more

the 13th century secret history of the mongols covering the great inggis qan's 1162-1227 ancestry and life a literary monument of first magnitude introduction full translation and commentary

the international bestseller the complete history of the world from the beginning of time to the present day based on the beliefs and writings of the secret societies Jonathan Black examines the end of the world and the coming of the antichrist or is the antichrist already here how will he make himself known and what will become of the world when he does will it be the end of time having studied theology and learnt from initiates of all the great secret societies of the world Jonathan Black has learned that it is possible to reach an altered state of consciousness in which we can see things about the way the world works that hidden from our everyday commonsensical consciousness this history shows that by using secret techniques people such as Leonardo da Vinci Isaac Newton and George Washington have worked themselves into this altered state and have been able to access supernatural levels of

intelligence this book will leave you questioning every aspect of your life and spotting hidden messages in the very fabric of society and in life itself it will open your mind to a new way of living and leave you questioning everything you have been taught and everything you ve taught your children

every city contains secret places moscow in the tumultuous 1990s is no different its citizens seeking safety in a world below the streets a dark cavernous world of magic weeping trees and albino jackdaws where exiled pagan deities and faery tale creatures whisper strange tales to those who would listen galina is a young woman caught like her contemporaries in the seeming lawlessness of the new russia in the midst of this chaos her sister maria turns into a jackdaw and flies away prompting galina to join yakov a policeman investigating a rash of recent disappearances their search will take them to the underground realm of hidden truths and archetypes to find themselves caught between reality and myth past and present honor and betrayal the secret history of moscow
