the weekly source of african american political and entertainment news

at a time of increased interest and renewed shock over the tuskegee syphilis experiments acres of skin sheds light on yet another dark episode of american medical history in this disturbing expose allen m hornblum tells the story of philadelphia s holmesburg prison

in the past 30 years the population of prisoners in the united states has expanded almost 5 fold correctional facilities are increasingly overcrowded and more of the country s disadvantaged populations racial minorities women people with mental illness and people with communicable diseases such as hiv aids hepatitis c and tuberculosis are under correctional supervision because prisoners face restrictions on liberty and autonomy have limited privacy and often receive inadequate health care they require specific protections when involved in research particularly in today s correctional settings given these issues the department of health and human services office for human research protections commissioned the institute of medicine to review the ethical considerations regarding research involving prisoners the resulting analysis contained in this book ethical considerations for research involving prisoners emphasizes five broad actions to provide prisoners involved in research with critically important protections expand the definition of prisoner ensure universally and consistently applied standards of protection shift from a category based to a risk benefit approach to research review update the ethical framework to include collaborative responsibility and enhance systematic oversight of research involving prisoners

this frank outspoken book contends that there are many inexpensive legal more humane ways of dealing with criminal offenders than sending them off to prison except for the relatively small numbers of violent offenders for whom there seems to be no other present alternative prison confinement is no solution to our growing crime problem yet prison officialdom resists reform and innovative cost saving programs jacket

the author who was tried and convicted of first degree murder tells of his life leading up to that point and how he became an episcopal priest years later
