lists one of the most archaic literary genres stand behind many of our complex mental or rhetorical structures and they often influence the way we conceptualize the world even if we are unaware of it they seem plain but may conceal a complicated inner logic they are agrammatical but may tell a story their basic features selection order and layout may be enough to give them enormous power by including they exclude by ordering they create a hierarchy by taking on particular physical aspects they place themselves into a specific context these and other issues are discussed in the present transdisciplinary volume collecting the best revised contributions to a workshop on lists held at the center for theoretical study in prague in november 2008 each of the 13 articles by researchers from seven countries provides a case study on the subject of list the fields covered include late antique medieval and early modern history philology philosophy cognitive and computer science the contributors aim both at presenting particular cases specific lists or list types and at the same time at addressing methodological issues exploring the ways of researching lists in their particular disciplines formulating relevant research themes and questions contextualizing the subject since theoretical discourse on lists has not been established yet this volume should be seen as a first step in the process showing the variety of possible research directions on a transdisciplinary level and raising interest in the topic which although it may seem a bit obscure at first has indeed a lot to offer

transatlantic humorist david bouchier brings wit wisdom and a touch of philosophy to the everyday dramas of american suburban life this book brings together more than a hundred essays originally broadcast on national public radio or published in his out of order column in the sunday new york times when work and marriage brought david bouchier to long island in 1986 the endless suburbs seemed mysterious and exotic to him he was inspired to begin writing essays and newspaper columns about his life there a personal and public diary of the resident alien experience in 1992 a weekly public radio essay was added to the newspaper columns and thousands of listeners still enjoy david s weekly radio broadcasts these are the affectionate and sometimes acerbic observations of an accidental immigrant who still finds life in america endlessly stimulating and wonderfully strange david bouchier s thoughts about love life liberty and the pursuit of happiness in the suburbs will make you smile and make you think boring suburban rituals like lawn care mall shopping wedding rehearsals and barbecues will never seem the same again
