an essential and intuitive treatment of financial accounting with an international perspective the use of international financial reporting standards is growing rapidly both outside of the united states and within especially as ifrs incorporates more us gaap rules in the newly updated fifth edition of financial accounting with international financial reporting standards a team of accomplished financial practitioners and educators delivers the newest version of their highly anticipated text this important work offers practical end of chapter exercises and practice problems complete with foreign currency examples as well as an emphasis on non us companies and examples it is perfect for accounting students seeking exposure to internationally utilized accounting standards

this 13th edition introduces learners to general accounting principles and the disclosure requirements of company financial statements in this comprehensive and up to date publication principles are illustrated through questions and solutions the learner's understanding of principles is gradually broadened by an increase in the degree of difficulty of the questions that are asked self study is actively encouraged by the inclusion of questions for which the solutions are available to prescribing institutions only changes brought about by new accounting standards issued as a consequence of the south african institute of chartered accountants improvement of accounting standards project have once again been incorporated in this latest edition accounting standards is intended to satisfy the specific requirements of learners and to reduce the workload of educators

international accounting standards tend to converge as do auditing enforcement and corporate governance whereas trading of equity shares remains essentially national the book provides a thorough analysis of what information investors really need how financial accounting systems developed and their current requirements in major commercial countries and examines current issues particularly the benefits and costs a single or multiple accounting standards the bases for accounting standards and limitations to accounting disclosure in financial statements

the 2001 fasb accounting standards publications give accounting professionals and financial executives a complete source of the current authoritative accounting pronouncements issued by the fasb and its predecessors original pronouncements volume i fasb statement 1 100 0 471 39233 2 original pronouncements volume ii fasb statements 101 140 0 471 39233 2 original pronouncements volume iii aicpa pronouncements and fasb interpretations concepts statements and technical bulletins 0 471 39233 2 features

paragraphs containing amended standards are shaded to alert the reader status pages before each pronouncement completely superseded pronouncements that may no longer be applied are omitted and status pages are retained for those omitted pronouncements eifv issues are cross referenced on applicable status pages separate appendixes identify amended paragraphs effective dates for all pronouncements and topics discussed by the fasb emergency issues task force eifv volume iii contains the appendixes and a topical index to material in the original pronouncements and current text volumes eifv issues and the fasbs question and answer special reports current text the 2001 current text is an integration of financial accounting and reporting standards arranged by topic for general and industry standards and includes all current effective as of june 1 2001 fasb statements interpretations and technical bulleting and aicpa apb opinions interpretations and accounting research bulletins in two volumes current text volume i general standard 0 471 15219 6 current text volume ii industry standards 0 471 15220 x features arranged alphabetically by topics for easy reference eifv issues are listed by topic and where applicable linked to specific paragraphs topical index is included in both volumes i and ii for the convenience of the reader links current text paragraphs to the original pronouncements in a volume ii appendix contains the appendixes as described above for volume ii of original pronouncements statements of financial accounting concepts 0 471 15218 8 the fasb statements of financial accounting concepts are published in a separate volume which includes an index for easy reference the concepts are also included in volume iii of original pronouncements any accountant or financial executive who needs to refer to fasb pronouncements will not want to be without these timely accounting publications

this unique book is not written from a specific national perspective but adopts an international approach throughout it treats the topic of international financial accounting and reporting as a subject in its own right and not as an alternative or an extension to the existing domestic regulatory framework the book begins with an introduction to accounting and financial reporting followed by a description of the development of international standards and the present structure role and operations of the international accounting standards board while a major part of the book is devoted to a discussion on individual ifrs international financial reporting standards it also discusses income statements balance sheets and cash flow statements these financial statements are examined in the context of international financial reporting regulations and students are introduced to the main ifrs relating to those statements subsequent chapters examine individually the more complex standards a complimentary copy of the instructor s manual and the powerpoint presentations of the text materials are available for all instructors who adopt this book as a course text please send your request to sales wpsc com

while there is growing interest in ifrs within the us interest outside the us has exploded weygandt s fourth edition of financial accounting ifrs highlights the integration of more us gaap rules a desired feature as more foreign companies find the united states to

be their largest market the highly anticipated new edition retains each of the key features e g toc writing style pedagogy robust eoc on which users of weygandt financial have come to rely while putting the focus on international companies examples discussing financial accounting principles and procedures within the context of ifrs and providing eoc exercises and problems that present students with foreign currency examples instead of solely u s dollars

the fasb statements of financial accounting concepts contains the full text of the seven statements of financial accounting concepts issued to date the existing concepts are intended to serve the public interest by setting the objectives qualitative characteristics and other concepts that guide selection of economic events to be recognized and measured for financial reporting unlike a statement of financial accounting standards a statement of financial accounting concepts does not establish generally accepted accounting principles

the fasb statements of financial accounting concepts contains the full text of five of the six statements of financial accounting concepts issued to date these concepts establish the objectives qualitative characteristics and other concepts that guide selection of economic events to be recognized and measured for financial reporting their display in financial statements

the 2005 fasb accounting standards publications give accounting professionals and financial executives a complete source of the current authoritative accounting pronouncements issued by the fasb and its predecessors original pronouncements the 2005 original pronouncements contains the fasb and aicpa pronouncements in three volumes original pronouncements volume i fasb statements 1 120 0 471 73791 7 original pronouncements volume ii fasb statements 121 154 0 471 73791 7 original pronouncements volume iii aicpa pronouncements and fasb interpretations technical bulletins fasb staff positions and concepts statements 0 471 73791 7 features all pronouncements amended by subsequent pronouncements reflect those amendments new in 2005 includes all current fasb staff positions status pages before each pronouncement identify sources of changes and other pronouncements affected by that pronouncement completely superseded pronouncements that may no longer be applied are omitted and status pages are retained for these omitted pronouncements eitf issues and aicpa accounting standards executive committee acsec statements of position and practice bulletins are cross referenced on applicable status pages separate appendixes identify amended paragraphs effective dates for all pronouncements and topics discussed by the fasb emerging issues takes force eitf volume iii contains the appendixes and a topical index to material in the original pronouncements and current text volumes eitf issues and the fasb s question and answer special reports and fasb staff positions current text the 2005 current text is an integration of financial accounting and reporting standards arranged by topic for general and industry standards and includes all currently effective as of june 1 2005 fasb statements interpretations and technical bulletins and aicpa apb opinions interpretations and accounting research
