This ritual utilizes a black candle representing the negativity being banished and a white candle representing purity and protection Carve sigils of

banishing into the black candle and visualize the negativity flowing from the black candle into the white one as you burn it down Focus on cleansing your energy field and visualizing the negative energy dissipating

2 Manifestation for Abundance For this spell use a green candle representing prosperity and a gold candle representing abundance Dress the candles with prosperity oils and herbs and then carve symbols of abundance eg cornucopia money symbols into the candles Meditate on your desired financial goals feeling the abundance flowing into your life as you burn the candles Adding a small crystal like Citrine associated with abundance can enhance the effect

3 Healing Spell This advanced spell utilizes multiple candles representing different aspects of healing a pink candle for selflove a green candle for health and a blue candle for peace Visualize healing energy flowing through each candle focusing on the specific area needing healing This layered approach addresses the mental emotional and physical aspects of healing simultaneously

RealWorld Example A practitioner suffering from writers block used a candle spell with a yellow candle representing creativity and a blue candle representing clarity By carving 3 symbols representing writing and flowing ideas and focusing intensely on their creative block while burning the candles they experienced a significant breakthrough in their writing
