howard w durfee it has been his life s work howard s quest for christian truth began shortly after he was saved by the ministry of campus crusade for christ during his study at three of the leading seminaries of the world harvard divinity school the university of edinburgh and fuller theological seminary howard was taught that the gifts and ministries of the new testament had for the most part passed away after the new testament era there seemed to be a general confusion about why they had passed away regardless of all the theories the important thing to howard was that he could find no one in theological schools able to operate in the apostolic or prophetic ministries as described in the new testament the biggest shock to howard was when he found less educated non seminary trained ministers who claimed to be apostles and prophets the problem was that these less scholarly ministers appeared to have both the gifts and ministries operating with the power of the holy spirit in a search for truth howard determined to prove beyond any shadow of a doubt that there could be no modern apostles or prophets the only problem was that the howard could not disprove the existence of modern apostles or prophets based on the new testament or on church history what follows in this book is the result of a lifetime of study on the apostolic ministry after an introduction by dr chuck flynn howard defends the necessity of modern apostles he then defines and describes what a new testament apostle is next howard describes apostles as leaders to the church finally howard describes the three major historical functions of the apostolic ministry to found churches to govern churches and to train the other new testament ministries

The Apostolic Canopy is a book that describes the relationship dynamics of the fivefold ministry: apostles, prophets, evangelists, pastors, and teachers. This book addresses these individual roles and how they work together to reach and equip God's people to establish His kingdom. For too long, the notion that apostles existed only in the first century or so of church history is no longer a valid argument. Today, it is evident that the fivefold ministry is rapidly emerging and mobilizing for the end-time revival harvest that will sweep the globe. Apostles play the preeminent role among God's government. Hence, the Apostolic Canopy. In this book, you will understand the functional and relational dynamics of the apostolic canopy model. For you to embrace this model, you must first understand and appreciate the role that each of the fivefold ministries plays in a person's life to reach, develop, and send them to their destiny. Joel Garcia, a senior associate pastor at the International Church of Las Vegas, for the past fourteen years has been actively involved in just about every facet of local church ministry, with the exception of women's ministry. His latest endeavor has been preparing a team and planting of an extension campus in the South Area of Las Vegas. In just the first two months, the church has grown to over 200 people. Joel is currently pursuing his master's degree from Regent University in organizational leadership, with an emphasis in executing, coaching, and mentoring, and has established his own executive coaching and consulting practice for the purpose of equipping church pastors and leaders and marketplace executives to become more effective leaders.
