sales is cornerstone everything starts and falls on sales and this is the bible of sales the most powerful system for sales success from the author of the bestselling audio the psychology of selling strategy tactics and mental preparedness separate superior salespeople from the average and with technological advances evening the competition the selling edge is now more important than ever drawing on his own successful sales career and on his extensive experience as a sales consultant and seminar leader brian tracy has developed the most comprehensive and effective approach to selling ever

created advanced selling strategies provides you with the techniques and tools used by top salespeople in every industry methods that net immediate and spectacular results this book explains how to develop the self image to give you the edge in every sales situation concentrate on the customer s emotional factors to ensure better sales results identify your customer s most pressing concerns and position your product or service to fill those needs a must read for salespeople and businesspeople alike

wherever you are and whatever you may be doing there have never been more opportunities for you to achieve your goals and aspirations than exist around you right now economists say that we are entering into the golden age of mankind we have passed from the material world into the mental world into the psychozoic age the age of the mind because all wealth is essentially mental there are no limits on how much of it you can acquire in think big brian tracy will explain a series of simple practical proven methods techniques and strategies used by all high achieving men and women in every field to accomplish far more than they or the people around them have ever dreamed possible it s time to break the bonds of limited conventional thinking and expand your mind and your ambitions to the point where you can greatly exceed any goal that you ve ever set for yourself you will learn the keys to wealth building the power of decision li possibility thinking how to bounce back from defeat creative networking why character makes the difference how to develop your own personal power the keys to success

one of the hallmark s of brian tracy s philosophy is that you are 100 responsible for the results in your life while brian tracy has discussed this philosophy since the 1980 s it is increasingly out of place in our current cultural moment today there are numerous voices telling you that any of your struggles or challenges are due to other people or societal conditions that are beyond your control but as you ll read in this life changing book the philosophy of complaint and blaming others is ultimately a dead end path that leads to despair in take charge of your life the 12 master skills for success brian will show you how putting yourself in the driver s seat of your own life and not delegating responsibility for your results to others will separate you from the pack faster than ever before brian will teach you the attitudes mindset and most importantly the specific skills that will enable you to overcome any forces that others perceive may hold them back whether it be your education level current income level gender or socio economic background here are just a few of the things you will learn maximum performance when you re firing on all cylinders nothing can stop you so why waste any more time at half speed get more out of yourself and generate better results than ever before personal strategic planning success is inevitable when you have a plan all you have to do is follow it i cover how to plan and how to stay on track no matter what life throws at you time management time management is really life management when you become a super efficient machine you complete the highest value tasks in the least amount of time and

you flourish personal dynamism and energy when you exude confidence and energy it's contagious you attract other dynamic energetic people and together you experience more success more fun greater results creating wealth once you create a personal plan and then maximize your efficiency performance and time management your income will increase automatically but what do you do with it to create wealth you must have a wealth plan and that's what we cover here communication power even if you're not in sales you're in sales whenever you talk with someone you have the opportunity to convince him to think the way you think and to help you achieve your goals I teach you my proven time tested strategies for communicating effectively and much more

transform your potential into reality achieve breakthrough success one step at a time the truth about developing powerful focus and self discipline the truth about setting priorities to get the right things done the truth about getting the help you need to achieve any goal this book reveals 42 bite size easy to use techniques for accomplishing your most important goals whatever they are in this book you learn how to identify what you really want and need to get done and achieve the focus and discipline you need to actually get it done how to finally get past the excuse I just don't have the time why your past doesn't have to equal your future how to become proactive and plan for faster decisions and action how to sell your ideas and get help from others how to nurture the right habits and environment to fuel your personal growth and how to leverage sheer common sense to do the extraordinary this isn't someone's opinion it's a definitive evidence based guide to getting more done a set of bedrock principles you can rely on no matter what you want to accomplish
