with a sharp eye for detail raisa maria toivo explores the gender implications of the complex system of household management and public representation in which seventeenth century finnish women and men negotiated their positions from specific case studies of finnish peasant women toivo broadens her narrative to include historiographical discussion on the history of witchcraft on women s and gender history and on early modern social history shedding new light on each theme

rebecca lemon illuminates a previously buried conception of addiction as a form of devotion at once laudable difficult and extraordinary that has been concealed by the persistent

modern link of addiction to pathology surveying sixteenth century invocations she reveals how early moderns might consider themselves addicted to study friendship love or god however she also uncovers their understanding of addiction as a form of compulsion that resonates with modern scientific definitions specifically early modern medical tracts legal rulings and religious polemic stressed the dangers of addiction to alcohol in terms of disease compulsion and enslavement yet the relationship between these two understandings of addiction was not simply oppositional for what unites these discourses is a shared emphasis on addiction as the overthrow of the will etymologically addiction is a verbal contract or a pledge and even as sixteenth century audiences actively embraced addiction to god and love writers warned against commitment to improper forms of addiction and the term became increasingly associated with disease and tyranny examining canonical texts including doctor faustus twelfth night henry iv and othello alongside theological medical imaginative and legal writings lemon traces the variety of early modern addictive attachments although contemporary notions of addiction seem to bear little resemblance to its initial meanings lemon argues that the early modern period's understanding of addiction is relevant to our modern conceptions of and debates about the phenomenon
