this new edition of the classic guide offers a thorough and accessible introduction to contemporary critical theory it provides in depth coverage of the most common approaches to literary analysis today feminism psychoanalysis marxism reader response theory new criticism structuralism and semiotics deconstruction new historicism cultural criticism lesbian gay queer theory african american criticism and postcolonial criticism the chapters provide an extended explanation of each theory using examples from everyday life popular culture and literary texts a list of specific questions critics who use that theory ask about literary texts an interpretation of f scott fitzgerald s the great gatsby through the lens of each theory a list of questions for further practice to guide readers in applying each theory to different literary works and a bibliography of primary and secondary works for further reading this book can be used as the only text in a course or as a precursor to the study of primary theoretical works it motivates readers by showing them what critical theory can offer in terms of their practical understanding of literary texts and in terms of their personal understanding of themselves and the world in which they live both engaging and rigorous it is a how to book for undergraduate and graduate students new to critical theory and for college professors who want to broaden their

repertoire of critical approaches to literature

this book is about books that recount the story of encountering another book there are various versions of the story told and retold from the heyday of imperialism up to the present day homi bhabha calls it the trope of the discovery of the english book by considering each of these versions carefully we may also give an alternative account of twentieth century english literature as the site of an intercultural discourse this project is very much inspired by debate on postcolonial theory namely the debate between said and bhabha part i is devoted to the discussion of conrad especially of heart of darkness and investigates how the novella has continually been reproduced to the extent that it represents the english book of colonial postcolonial literatures the chapter on hugh clifford ch 3 is virtually the first intensive critique of his novels such as saleh 1908 with a particular focus on their intertextual relations with conrad s texts part ii examines how the story of the english book is repeated and revised in the texts of the following authors joyce cary isak dinesen v s naipaul kaiko takeshi and ng g wa thiong o

this is the first comprehensive book length study of gender politics in ngugi wa thiong s fiction brendon nicholls argues that the mechanisms of gender subordination are strategically crucial to ngugi s ideological project but that his fiction also creates transgressive spaces for women nicholls proposes a strategy of performative reading that offers an ethical basis for analyzing cultural difference and critiquing cultural practices while avoiding both cultural imperialism and cultural relativism

a review and record of current literature
