if required to summarize my deepest conviction in a single sentence it would be something like this i believe that god is more taken with the agony of the earth than with the ecstasy of heaven so begins the preface to in the land of the living prayers personal and public by kenneth l sehested what follows from that conviction is a collection of prayers and poems most of which are inspired by one or more particular biblical texts and many of which were originally written for use in sehested's own congregation sehested's lifelong work as a justice and peace organizer informs his poetic eloquence which in the words of one reviewer produces reflections on scripture that create a flash of insight a bolt of courage a stretch of imagination a surprising peek into the heart of god and cries

out against second hand convictions in the land of the living ps 27 13 represents a significant addition to that tradition of spirituality which takes seriously both the pain of the world and the claim of a god at work disarming both the heart and the nations indeed these prayers are jumper cables from the pew to the world

this book summarizes and explains the main approaches to age estimation in the living defining when a parameter may be of use and raising awareness of its limitations this text ensures that practitioners recognize when an assessment is beyond their area of expertise or beyond verification depending upon the clinical data available each key approach to age evaluation has been allotted a single chapter written by an international leader in the particular field the book also includes summary chapters that relay readily accessible data for use by the practitioner and includes important ageing milestones this book is indispensable where problems of immigration and legal standing juvenile vs adult criminal status and responsibilities of law enforcement to protect vulnerable persons are key issues on a daily basis medical practitioners forensic practitioners such as pathology odontology anthropology and nursing lawyers and police would find this book incredibly useful

this book is not an academic study of what the church has taught or what scholars have said but rather a challenging study of what the bible itself says about god in the living god author r t france encourages us to come to grips with the broad sweep of biblical data showing us that the god of the bible is neither passive nor far removed from our everyday lives but rather a dynamic and living reality to be engaged back cover

in 1968 george romero s film night of the living dead premiered launching a growing preoccupation with zombies within mass and literary fiction film television and video games romero s creativity and enduring influence make him a worthy object of inquiry in his own right and his long career helps us take stock of the shifting interest in zombies since the 1960s examining his work promotes a better understanding of the current state of the zombie and where it is going amidst the political and social turmoil of the twenty first century these new essays document interpret and explain the meaning of the still budding romero legacy drawing cross disciplinary perspectives from such fields as literature political science philosophy and comparative film studies essays consider some of the sources of romero s inspiration including comics science fiction and westerns chart his influence as a storyteller and a social critic and consider the legacy he leaves for viewers artists and those studying the living dead
