those personal accounts resurrect the essential experience of children's work play education family relations and coming of age from their own perspectives steering a middle path between the myth of wholesome farm life and the reality of work that was often extremely dangerous. Riney Kehrberg shows both the best and the worst that a rural upbringing had to offer midwestern youth a time before mechanization forever changed the rural scene and radio broke the spell of isolation down on the farm. Truancy was not uncommon and chores were shared across genders yet farm children managed to indulge in inventive play much of it homemade to supplement store bought toys and to get through the long spells between circuses
