home study manual teaching depreciation for book purposes under the straight line units of production declining balance and sum of years digits methods as well as how qualifying assets are depreciated on the financial statements and tax return learn to depreciate both listed assets and real estate for tax purposes learn how to depreciate vehicles including passenger automobiles for tax purposes

the second edition of the best selling case based introduction to teaching text introduction to teaching becoming a professional is organized around three themes professionalism reform and decision making which provide the threads that bind the topics of the chapters together as the only case based introduction to teaching text each chapter begins

with a case study that provides a framework for the discussions that follow and helps the reader understand how chapter topics relate to the real world of teaching new expanded emphasis on decision making as a critical aspect of professionalism is introduced as a theme in chapter 1 and further developed at the end of each chapter in a section titled decision making defining yourself as a professional in this section students are asked to think about personal and professional decisions that will influence the kinds of teachers they will be new expanded development of professionalism in chapter 1 also includes discussion of intasc principles praxis ii and professional portfolios and continues throughout each chapter to help students understand what professionalism means and how it is connected to classroom planning and practice new praxis practice a case based end of chapter feature helps students prepare to successfully pass the praxis ii exam readers can submit their responses and receive feedback on our companion website new chapter case studies and corresponding icon are reformatted to help readers identify and more easily make the connection between the cases chapter content and classroom application continued in this edition are the popularfeatures reflect on this teaching in an era of reform and exploring diversity which encourage the readers to visit the companion website for further research and applications

the demo docs system of instruction replicates the classroom experience by providing more i get it moments outside of class we ve talked to tons of poa instructors and our editors have even taken the accounting course numerous times to figure out the following issue in this course that is consistent students understand or get it right after you do a problem in class but as soon as they leave class with each passing hour their ability to do the problems again and complete their homework diminishes to the point of them either having to come to office hours to get help or they just quit and get behind in the course on top of this you can end up getting behind in the course as well in order to keep everyone on track the demo docs system helps to recreate the i get it moments outside of class keeping both you and the students on track
