before enron before arthur anderson and before worldcom there was the bank of new york money laundering scandal which hit headlines in 1999 promising to be one of the most important books on international organized crime money laundering and the complicity between legitimate and illegitimate businesses in both the united states and the former soviet union among other places during the last decade of the 20th century all is clouded by desire examines the criminal dealings that led to the revelation that the bank of new york s eastern european division laundered 6 billion for russian organized criminals and other shady organizations and individuals in a series of intrigues that involved crooked geneva banker bruce rappaport and high level members of the bank of new york criminal russian organizations were able to thrive and prosper during a time when the rest of the former soviet union crumbled amidst growing corruption and a declining economy tracing the financial shenanigans back many years block and weaver illustrate how the underworld of high finance money laundering mafia groups cia operatives and legitimate banking institutions can clean dirty money and operate criminal enterprises that span the globe block and weaver carefully assemble a vivid examination of the world of hot money in the arena of international banking and the roles played by intelligence the politically connected and the criminally inclined focusing on the intensely private genava banker bruce rappaport and the bank of new york the authors show how the two worked together with dodgy russian banks to move and launder billions through channels that include off shore banks shady joint ventures and outright criminal organizations relying on primary sources from the logs of the institutions involved interviews with british intelligence operatives and former cia officers secret discussions with private detectives handling the infamous marc rich tax case and material collected by two private detective agencies in london and new york the book exposes the various machinations that were instrumental in completing the financial schemes that would ultimately cause the downfall of two top bank of new york executives

the development of international financial centers ifcs has paralleled the rapid expansion of international banking and eurocurrency activities during the past decade and a half the international banking and financial markets have experienced phenomenal growth along with the parallel expansion of ifcs the size of the eurocurrency market grew from 110 billion in 1970 to over 4 000 billion by 1987 while the total international assets of all banking institutions rose from 130 billion to 4 800 billion during the same period some of the preeminent ifcs are playing a major role in the international financial markets as demonstrated by the size of their international assets bahamas 144 billion cayman islands 174 billion singapore 150 billion hong kong 130 billion bahrain 46 billion and panama 32 billion the patterns of euroborrowing and eurolending activities in these ifcs have been undergoing major changes these

changes came about as a result of the introduction of the floating exchange rate system in 1973 recent financial deregulation internationalization of the financial markets securitization of financial assets and liabilities and global financial innovations since the pioneering work of kindleberger in 1974 on the formation of financial centers there has not been a comprehensive study to reflect the recent developments trends and the mystique that have surrounded the ifcs functions and operations in the international money and capital markets

one nation under blackmail is a damning indictment of the consequences resulting from the nearly century old relationship between both us and israeli intelligence and the organized criminal network known as the national crime syndicate this book specifically explores how that nexus between intelligence and organized crime directly developed the sexual blackmail tactics and networks that would later enable the sexual blackmail operation and other crimes of deceased pedophile and sex trafficker jeffrey epstein other books on jeffrey epstein focus on the depraved nature of his crimes his wealth and his most famous politically connected friends and acquaintances this book in contrast reveals the extent to which epstein s activities were state sponsored through an exploration of his intelligence connections

combining academic theory with practical case studies this book helps students understand global financial markets and business management

this book uncovers the activities of clandestine governments it explores how covert political activity and transnational organised crime are linked and how they ultimately work to the advantage of state and corporate power using a variety of case studies from the mafia in italy to programmes for food and reconstruction in iraq the authors illustrate that parapolitical structures are not deviant but central to the operation of global governments the creation of this parallel world economy the source of huge political and economic potential entices states to undertake new forms of regulation either through their own intelligence agencies or through the more shadowy world of criminal cartels

in the fateful month of march 2000 shortly after opening a hugely successful show in new york that unveiled the more nefarious financial connections of presidential candidate george w bush the hugely ambitious conceptual artist mark lombardi was found hanged in his studio an apparent suicide with museums lining up to buy his work

and the fame he had sought relentlessly at last within his reach speculation about whether his death was suicide or murder has titillated the art world ever since lombardi was an enigma who was at once a compulsive truth teller and a cunning player of the art game a political operative and a stubborn independent a serious artist and a merry prankster a metaphysicist if not a scientist lombardi s spidery elusive diagrams describing the evolution of the shadow banking industry from a decades old alliances between intelligence agencies banking government and organized crime may have made him unique in art history as the only artist whose primary subject the cia has turned around and studied him and his art work exhaustively researched this is the first comprehensive biography of this immensely contradictory and brilliantly original artist whose pervasive influence in not only the art world but also in the world of computer science and cyber security is only now coming to light

it will prove a key resource for academics and practitioners interested in international relations business and management and international finance jacket

this book was written to provide a straightforward approach to understanding international banking it covers all the traditional course topics credit analysis electronic banking the eurobond market debt crisis and international supervision while also providing a solid grounding in the history of banking and its influences on modern practices throughout the text the authors continually convey the message that international banking is a dynamic business in which change is a constant feature
