el diccionario general del zulía es por mucho el libro de historia del zulía más importante publicado después de la historia de Juan Besson su contribución al género biográfico es única en Venezuela y su aporte bibliohemerográfico de la zulianidad no tiene parangón sino en los trabajos de Germán Cardozo Galué y Patricia Pineda en este libro está resumida y presentada de forma práctica toda la historia del zulía y se proyecta en ella a los próceres civiles de nuestro futuro es un acervo bibliográfico que marca un antes y un después en la investigación historiográfica periodística y artística de todo el occidente del país nuestro libro fundamental en muchos sentidos en el más puro y exigente quehacer intelectual y tradición del zulía Luis Guillermo Hernández y Jesús Ángel Parra ofrecen al país esta monumental erudita y útil obra de consulta Germán Cardozo Galué el zulía plural nombre original de este proyecto desde hace más de veintitrés años hoy denominado diccionario general del zulía por decisión del curador y de la institución editora es el producto de un extenso proceso de investigación sobre personajes hechos instituciones y cualquier otro aspecto del zulía que a través de 500 años de historia escrita y con la tradición oral milenaria de nuestras etnias llevó a crear este corpus enciclopédico de más de 7 000 entradas los consultantes o lectores de este diccionario encontrarán dos tipos fundamentales de entradas las de simple referencia muy cortas que ante un apelativo un seudónimo o una sigla hace la referencia respectiva a la entrada principal la entrada original o principal bien de personajes o de instituciones que tratará de sintetizar lo esencial sobre ellos las entradas que corresponden a personajes están compuestas por lugar y fecha de nacimiento y de muerte profesión u oficio rasgos biográficos mínimos con su trayectoria y las fuentes desde luego no siempre ha sido posible localizar todos los datos señalados por lo cual cuando no aparece alguno no es por falta de investigación sino por haber sido imposible la localización de ese dato las fuentes fueron clasificadas en directas las cuales consisten en libros o folletos publicados por el personaje estudiado y específicas o indirectas que son los escritos sobre el personaje publicados en libros folletos o en órganos periódicos un caso especial corresponde a los artistas visuales a los que se les agregó las principales exposiciones realizadas en el caso de las

instituciones se hizo un recuento de su fundación miembros fechas básicas de su trayectoria fuentes específicas así como todo aquello que se consideró importante para conocer su historia o como algunos la denominan su biografía se debe señalar que en ocasiones existe información cruzada en las entradas porque hay personajes cuya vida es su obra y viceversa por eso en la entrada respectiva se señala la consulta que deberá hacerse en otra entrada del mismo modo es preciso indicar que existen entradas sin fuentes específicas en el caso de periódicos o revistas ya que se elaboraron los datos con el órgano periódico en la mano en el caso de personajes o instituciones porque la información se consiguió en la contraportada de libros sin la firma del autor o en recortes de prensa sin datos de identificación este diccionario fue elaborado con una acuciosa investigación de las fuentes por lo tanto cada entrada tiene todas sus fuentes esto puede parecer exagerado en algunos casos pero permitirá al lector ampliar el aporte de cada entrada al consultar directamente las fuentes y así hacer su investigación según sus necesidades
