the institution of family has been central to the well being of african societies over the years african families have undergone significant transformation caused by the interplay of indigenous arabic islamic and european christian cultures the juxtaposition of these three cultures in the lives of african peoples captures the triple heritage image of the continent at the same time modernization urbanization and migration have played and continue to play significant roles in the transformation of families across the continent while it is true that the traditional family has changed in many ways and that african families are continuously confronted with new challenges the renowned contributors to this volume recognize that the african family continues to adapt to emerging structural changes in the new millennium a host of issues and challenges has emerged each with the potential to weaken or threaten the survival of the traditional african family these include the hiv aids pandemic a growing elderly population declining governmental support and economic decay how the post colonial family reacts to these threats and challenges has the potential to either maintain or undermine the family s role as a major organizing

principle in africa the institution of family has been central to the well being of african societies over the years african families have undergone significant transformations caused by the interplay of indigenous arabic islamic and european christian cultures the juxtaposition of these three cultures in the lives of african peoples captures the triple heritage image of the continent at the same time modernization urbanization and migration have played and continue to play a role in the transformation of families across the continent while it is true that the traditional family has changed in many ways and that african families are continuously confronted with new challenges the contributors to this volume recognize that the african family has adapted to the emerging structural changes in the new millennium a host of issues and challenges have the potential to weaken or threaten the survival of the traditional african family these include the hiv aids pandemic which seems to afflict the young and able bodied a growing elderly population declining governmental support and economic decay how the post colonial family reacts to these threats and challenges has the potential to either maintain or undermine the family s role as a major organizing principle in africa profound transitions have occurred in family structure and processes since the post colonial period this work points to some of the documented transformations in african family life including the changing modes of decision making due to the establishment of a cash crop economy nuptial patterns changing maternal roles an increasing age at marriage and declining fertility a growing number of households headed by women an increase in the rate of marital instability and dissolution and changing patterns of mate selection and family relations

the third edition of handbook of marriage and the family describes analyzes synthesizes and critiques the current research and theory about family relationships family structural variations and the role of families in society this updated handbook provides the most comprehensive state of the art assessment of the existing knowledge of

family life with particular attention to variations due to gender socioeconomic race ethnic cultural and life style diversity the handbook also aims to provide the best synthesis of our existing scholarship on families that will be a primary source for scholars and professionals but also serve as the primary graduate text for graduate courses on family relationships and the roles of families in society in addition the involvement of chapter authors from a variety of fields including family psychology family sociology child development family studies public health and family therapy gives the handbook a multidisciplinary and interdisciplinary framework

organized by content areas rather than by theory this comprehensive accessible handbook helps readers gain greater insight into how key theories have impacted today s family research most competing books organized by theory do not provide a strong sense of the links between theory and research using the 2000 and 2010 decade in review issues of the journal of marriage and family as a resource the book addresses the most important topics impacting family studies research today the introductory chapter written by the editors provides an overview of the role family theories have had on the field this chapter is followed by 23 others on family related content areas written by renowned scholars in the field the book is organized around the most important domains in the field parenting and parent child relationships romantic relationships conflict and aggression structural variation and transitions demographic variations and families and extra familial institutions each of the contributors describes how theory has been used to generate new knowledge in the field and suggests future directions for how theory may be used to extend our knowledge base the book helps readers acquire a working knowledge of the key family science theories findings and issues and understand how researchers make use of these theories in their empirical efforts to maximize accessibility each of the renowned contributors addresses a common set of issues in their chapter introduction to the content area review of the key topics issues and

findings a description of each of the major theories used to study that particular content area limitations of the theories suggestions for better use of the theories and or new theoretical advances conclusions about future theoretical developments an ideal text for graduate and or advanced undergraduate family theories courses this book s unique organization also lends itself to use in content based family studies science courses taught in family studies human development psychology sociology communication education and nursing due to its comprehensive and current approach the book also appeals to scholars and researchers in these areas
