we often hear that those who don't learn from the past are condemned to repeat it yet existing history books don't teach children to learn from the past they simply teach children about the past that now changes with america's history a series of stories about our country's past that shares the ideas to learn from and how they might be applied to our lives today through fun storytelling and beautiful illustrations young readers will come to understand and appreciate the powerful ideas of freedom that led to the founding of america back cover

until now freedom minded parents had no educational material to teach their children the concepts of liberty the tuttle twins series of books helps children learn about political and economic principles in a fun and engaging manner with colorful illustrations and a fun story your children will follow ethan and emily as they learn about liberty

maturin ballou was settled in providence rhode island as early as 1646 where he married hannah pike four of their six or seven children survived descendants are scattered throughout eastern united states

jost otstadt 1739 1785 and his family emigrated in 1775 from germany to berks county pennsylvania descendants and relatives lived in pennsylvania ohio indiana michigan illinois kansas california and elsewhere some descendants immigrated to alberta british columbia and elsewhere in canada includes some ottstadt individuals and families living in germany today from city and telephone directories

do you need parenting advice on how to inspire your child to love learning whether you homeschool or send your kids to public or private school this is essential reading for your situation why because schooling has become a disaster your child's interests and uniqueness are disregarded and structured curriculum and standards like common core place them on a conveyor belt that treats all children the same this system crushes a child's curiosity your child deserves better there is a better way one that ensures your child sees learning as a joy and provides you the parent with a much less stressful way to educate and empower your son or daughter in this book connor boyack shares the exciting philosophy

and empowering day to day steps involved in passion driven education a child s curiosity and natural desire to learn are like a tiny flame easily extinguished unless it s protected and given fuel this book will help you as a parent both protect that flame of curiosity and supply it with the fuel necessary to make it burn bright throughout your child s life let s ignite our children s natural love of learning five things discussed in the book what s the problem with schools whether public private or home schooling is structured in a way that has significant negative outcomes for children academically psychologically and emotionally to understand the solutions you first need to review these problems what s your goal too many parents simply send their children to school out of ritual and expectation without thinking about the end result caring parents must ponder the outcomes of education and what they want their children to become once goals are established we can make a plan i need solutions it s easy to point out problems with schooling it s more important that we review serious and attainable solutions that can help you educate your child and preserve or restore their natural love of learning what are the alternatives if schools are inherently problematic and crush a child s curiosity what can be done we ll review several differing approaches to education that incorporate some of the solutions listed earlier passion driven education the best way to educate a child is to speak to them in a language they already understand using their personal interests as a hook to make other subjects interesting and relevant we ll review some examples and then give you an action plan

a general history of the burr family with a genealogical record from 1193 to 1891 by charles burr todd first published in 1891 is a rare manuscript the original residing in one of the great libraries of the world this book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation restoration editors mission is to bring long out of print manuscripts back to life some smudges annotations or unclear text may still exist due to permanent damage to the original work we believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it
