fake history is not a harmless mistake of fact or interpretation it is a mistake that conceals prejudice a mistake that discriminates against certain kinds of people a mistake held despite a preponderance of evidence a mistake that harms us fake history is like the zombies we see in mass media for the fake fact like the fictional zombie lives by turning real events and people into monstrous perversions of fact and interpretation its pervasiveness reveals that prejudice remains its chief appeal to those who believe it its effect is insidious because we cannot or will not destroy those mischievous lies zombie history is almost impossible to kill some zombie history was and is political a genre of what hannah arendt called organizational lying about the past its makers designed the zombie to create a basis in the false past for particular discriminatory policies other history zombies are cultural they encapsulate and empower prejudice and stereotyping still other popular history zombies do not look disfigured but like zombies walk among us without our realizing how devastating their impact can be zombie history argues that whatever their purpose whatever the venue in which they appear history zombies undermine the very foundations of disinterested study of the past

barron s 5 steps and the others are great resources for reviewing at the end of the year but tamm s textbook tools workbooks accompany students all year long they are filled with assignments that follow the regular text throughout the year all 40 chapters they can also be used as reviews all you need is the textbook physical or online teachers can copy at will and parents can use the book as a student consumable the rationale for having this workbook is that publishers now put so much of their extra content online traditional classwork is left lacking no matter if the textbook itself is written in ink or electrons

many students still find it valuable to write and keep notes for themselves on paper and portfolios still matter the activities in this workbook challenge students to apply the concepts give examples diagram every chapter and think things through with the authors find ttt on fb or click author name at the top of this page for other titles in this series

now in its 4th edition this popular text for secondary social studies methods courses integrates discussions of educational goals and the nature of history and social studies with ideas for organizing social studies curricula units lessons projects and activities a major theme throughout is that what teachers choose to teach and the way they teach reflect their broader understanding of society history and the purpose of social studies education advocating an inquiry and activity based view of social studies teaching that respects the points of view of students and teachers and based in practice and experience it offers systematic support and open honest advice for new teachers each chapter addresses a broad question about social studies education sub chapters begin with narrower questions that direct attention to specific educational issues lesson ideas and materials in the book and online are especially designed to help new teachers to address common core learning standards to work in inclusive settings and to promote literacy and the use of technology in social studies classrooms chapters include highlighted learning activities teaching activities and classroom activities designed to provoke discussion and illustrate different approaches to teaching social studies and conclude with recommendations for further reading and links to on line essays about related social studies topics activities are followed by four categories think it over add your voice to the discussion try it yourself and it s your classroom all of these are supported with online teaching material designed for undergraduate and graduate pre service social studies methods courses this text is also useful for in service training programs as a reference for new social studies teachers and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice new in the fourth edition provides a number of new lesson ideas paired with online lesson plans and activity sheets in every chapter takes a new focus on data driven standards based instruction especially in relation to the common core curriculum addresses the interactive nature of learning in updated technology sections reflects current trends in history education includes more of what the author has learned from working teachers offers a wealth of additional on line material linked to the text

kaplan s 5 steps crash course and other review books are great resources for that last month before the exam but tamm s textbook tools student activity books are meant to be an accompaniment all year long this ap u s history companion is filled with vocab and assignments that follow the kennedy cohen sixteenth edition for all 41 chapters they can be used as regular weekly assignments or reviews they can be used on short notice if there is a sub or be assigned as regular homework all you need is the textbook teachers can copy at will or the book can be used as a student consumable as publishers began putting their content online a niche for traditional classwork was opened a void filled by this series and whether the textbook itself is written in ink or electrons many students still find it more valuable to write and keep notes for themselves on paper and portfolios still matter the activities in this workbook challenge students to apply the concepts give examples and diagram every chapter find ttt on fb
