how 15 million prisoners of war depended less on the geneva convention than on their captors attitudes and customs

during the second world war the japanese were stereotyped in the european and american imagination as fanatical cruel and almost inhuman this view is unhistorical and simplistic it fails to recognise that the japanese were acting at a time of supreme national crisis and it fails to take account of their own historical tradition the essays in *japanese prisoners of war* by both western and japanese scholars explore the question from a balanced viewpoint looking at it in the light of longer term influences notably the japanese attempt to establish themselves as an honorary white race the book also addresses the other side of the question looking at the treatment of japanese prisoners in allied captivity

this book explores the history of the changi prisoner of war camp at singapore between the surrender in 1942 and the eventual liberation by british forces in september 1945 it discusses the forms of pow resistance to the japanese

this authoritative second edition provides a valuable overview of the history of prisoners of war and interned civilians from the earliest times to the present this edition offers new articles on abu ghraib prison the angolan civil war the iran iraq war the invasion of tibet the war on terror Guantanamo detention centre and u s senator john mccain along with an extensive update of existing articles with 350 entries this edition is a full 30 larger than the previous edition written by an international team of experts this fascinating and thought provoking volume covers a wide range of topics and themes including famous pows concentration camps the two world wars the crusades and indian warfare along with medical conditions international law and exchanges of prisoners new features in this edition include primary source documents from the geneva convention to the presidential signing statement of the torture bill full color maps and a historical timeline placing the articles in chronological sequence plus a detailed bibliography and list of end of entry reading suggestions are provided for easy reference this one of a

kind resource will be a helpful addition to the reference collections of all public libraries high schools and university libraries and will prove invaluable to historians and military enthusiasts

many allied pows in the pacific theater of world war ii suffered terribly but abuse wasn't a matter of japanese policy as is commonly assumed sarah kovner shows poorly trained guards and rogue commanders inflicted the most horrific damage camps close to centers of imperial power tended to be less violent and many pows died from friendly fire

tells the stories of australian prisoners of war largely through pictures and their own words includes a list of further reading and an index joint winner of the 1992 tate book of the year award the author's previous books include the shearers australian women at war the train blow and the anzacs which was joint winner of the 1978 tate book of the year award

the second world war between the european axis powers and the allies saw more than twenty million soldiers taken as prisoners of war while this total is inflated by the unconditional surrender of all german forces in europe on 8 may 1945 it nonetheless highlights the fact that captivity was one of the most common experiences for all those in uniform even more common than frontline service despite this and the huge literature on so many aspects of the war prisoner of war histories have remained a separate and sometimes isolated element in the wider national chronicles of the conflict constructed in the post war era prisoners of every nationality had their own narratives of military service and captivity while it is impossible to encompass their collective histories let alone the individual experiences of all twenty million prisoners in a single volume bob moore uses a series of case studies to highlight the key elements involved and to introduce analyse and refine some of the major debates that have arisen in the existing historiography the study is divided into three broad sections captivity in eastern and western europe during the war itself comparative studies of specific categories of prisoners and the repatriation and reintegration of prisoners after the war

millions of servicemen of the belligerent powers were taken prisoner during world war ii until recently the popular image of

these men has been framed by tales of heroic escape or immense suffering at the hands of malevolent captors for the vast majority however the reality was very different their history both during and after the war has largely been ignored in the grand narratives of the conflict this collection brings together new scholarship largely based on sources from previously unavailable eastern european or japanese archives authors highlight a number of important comparatives whereas for the british and americans held by the germans and japanese the end of the war meant a swift repatriation and demobilization for the germans it heralded the beginning of an imprisonment that for some lasted until 1956 these and many more moving stories are revealed here for the first time

for you the war is over these famous words marked the end of the second world war for nearly half a million allied servicemen and the beginning of a very different battle in captivity waged against boredom brutality disease hunger and despair it was a battle for survival fought without the aid of weapons against fully armed enemy captors based on interviews and correspondence with ex pows and their relatives over the last 30 years prisoner of war is a major survey of allied pows from all walks of life extraordinary stories of extremes courage hope and desperation are revealed in the words of those that were there arranged chronologically the book follows those involved from capture through interrogation imprisonment escape to final liberation and homecoming pows and in particular those who broke free have become a post war cultural icon a symbol of the will to survive against the odds rich with incident and emotion prisoner of war is a compelling look at the lives of extraordinary individuals trapped behind the wire

examines the experiences of individual prisoners of war looking in particular at alleged war crimes and ensuing claims for compensation levelled against the japanese and at british treatment of italian pows the book provides an overview and synthesis of the most heated debates in the field

america s current war on terror is causing a readjustment of centuries of pow policies prisoners of war are once again in the

news as america and western europe grapple with a new faceless enemy and the rules of war and the torture of pows are open to reconsideration until very recently there has been astonishingly little written on the subject of prisoners of war yet to understand the present it is critical to look back over history to that end arnold krammer examines the fate of war prisoners from biblical and medieval times through the halting evolution of international law to the current reshuffling of the rules the issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy the fate of war prisoners through history has been cruel and haphazard the lives of captives hung by a thread execution enslavement torture or being held for ransom were equally likely international agreements developed haltingly through the 19th and 20th centuries to culminate in the geneva accords of 1929 america s current war on terror is causing a readjustment of centuries of pow policies prisoners of war are once again in the news as america and western europe grapple with a new faceless enemy and the rules of war and the torture of pows are open to reconsideration until very recently there has been astonishingly little written on the subject of prisoners of war yet to understand the present it is critical to look back over history to that end arnold krammer examines the fate of war prisoners from biblical and medieval times through the halting evolution of international law to the current reshuffling of the rules since biblical times war captives have been considered property and counted as booty to be enslaved or killed americans were interested in generals and weapons and battles but not the fate of prisoners of war the second world war when 90 000 americans fell into enemy hands began to change that concern for our pows in germany and japan and close contact with enemy camps in america began to change our attitudes however it was the vietnam war media driven and polarizing that caused the american public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy more recently during the first gulf war of 1991 and the current war on terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency since 9 11 the rights and safety of prisoners of war caught up in the war on terror have been debated in congress and adjudicated on by former attorney general alberto gonzales whose conclusions were protested by numerous organizations

the issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy

this title discusses how world war ii ended for a quarter of a million men held in 55 prisoner of war camps and how in the last months of the war most of them became caught up in a desperate endgame as they made their way across a europe in chaos

the issue of prisoners in war is a highly timely topic that has received much attention from both scholars and practitioners since the start of the military operations in afghanistan and iraq and the ensuing legal and political problems concerning detainees in those conflicts this book analyses these contemporary problems and challenges against the background of their historical development it provides a multidisciplinary yet highly coherent perspective on the historical trajectory of legal and ethical norms in this field by integrating the historical analysis of war with a study of the emergence of the modern legal regime of prisoners in war in doing so it provides the first comprehensive study of prisoners detainees and internees in war covering a broad range of both regular and irregular wars from the crusades to contemporary counterinsurgency campaigns the book revolves around two major developments first there has been a continuous increase in the political relevance of prisoners in war in particular since the emergence of pow camps in the nineteenth century secondly and related the growth in the legal regime pertaining to prisoners had contradictory consequences whilst it enhanced the protection of prisoners in regular conflicts its state centric bias tends to exclude combatants who do not fit the template of regular inter state war detainees in the war on terror embody both tendencies the development of which however is by no means a novel phenomenon this book is a project of the oxford leverhulme programme on the changing character of war

during his time as a pow frank foo fujita kept a diary of daily happenings embellished with drawings of life in the camp he secreted the diary in the walls of his barracks as the practice was forbidden that diary forms the basis of these memoirs fujita s

memoirs are also unique in that he was one of the fewer than nine hundred americans taken prisoner on the island of java the bulk of american pows in japanese hands surrendered in the philippines and most of the published pow memoirs reflect their experience fujita s account of the defense of java and of the fate of the lost battalion of texas artillerymen serves to distinguish this memoir from others at one point while a pow in japan fujita was forced to be part of the japanese radio group broadcasting propaganda after the war he testified at some of the war crime trials in san francisco and the diary on which this book is based was used as evidence in those trials

the only study to date on italian pows in the united states this book records the history of the 50 000 italian prisoners of war who were captured in north africa during fighting in the desert and shipped to the united states as pows after italy surrendered to the allies and declared war on germany 35 000 pows worked with the u s army as cooperators in italian service units serving on army posts throughout the united states the 15 000 non cooperators remained in stockades until their release in 1945 and 1946 the text itself is more than 50 percent oral history and is based largely on interviews with nearly 50 former pows their friends and families and the u s civilian and military personnel who worked with them many of the pows returned to the united states after the war some as male war brides every individual interviewed has a colorful vivid emotional story to tell of his experience with bullets and bombs with the dead and the dying and about the trauma of captivity the interviews and archival data indicate that the united states treated its pows very well for the most part with a couple of dreadful exceptions and that the pows participation helped us to win the war italian americans interested in their heritage and students of world war ii will find these unique stories compelling and informative

tale of a german captured by the americans in wwii

early in the modern period prisoners of war with the rank of officer or equivalent had the right to petition for parole by effectively pawning their personal honour they were able to purchase freedom of movement and other privileges in captivity

increasingly other ranks and civilians claimed a right to parole too based on material from close to thirty australian british dutch french german and swiss archives jasper heinzen investigates the role and implications of honour based agreements between prisoners of war and their captors in western european warfare across a range of ego documents ministerial memoranda the minutes of masonic lodges and prisoners petitions as well as a substantial body of published material he demonstrates how captives statesmen and humanitarians understood honour in the long nineteenth century how they negotiated national differences and why parole d honneur continued to matter as a code of conduct into the first world war in so doing the book demonstrates the dichotomy between good codes of conduct prevalent in the eighteenth century and the practices of modern warfare perpetuated by a substantial amount of scholarship to be a false one explaining the longevity of parole in this novel way raises important questions about the so called military enlightenment the excesses of the world wars total war and the practices and codes of modern warfare

Introduction

The digital age has revolutionized the way we read, making books more accessible than ever. With the rise of ebooks, readers can now carry entire libraries in their pockets. Among the various sources for ebooks, free ebook sites have emerged as a popular choice. These sites offer a treasure trove of knowledge and entertainment without the cost. But what makes these sites so valuable, and where can you find the best ones? Let's dive into the world of free ebook sites.

Benefits of Free Ebook Sites

When it comes to reading, free ebook sites offer numerous advantages.

Cost Savings

First and foremost, they save you money. Buying books can be expensive, especially if you're an avid reader. Free ebook sites allow you to access a vast array of books without spending a dime.

Accessibility

These sites also enhance accessibility. Whether you're at home, on the go, or halfway around the world, you can access your favorite titles anytime, anywhere, provided you have an internet connection.

Variety of Choices

Moreover, the variety of choices available is astounding. From classic literature to contemporary novels, academic texts to children's books, free ebook sites cover all genres and interests.

Top Free Ebook Sites

There are countless free ebook sites, but a few stand out for their quality and range of offerings.

Project Gutenberg

Project Gutenberg is a pioneer in offering free ebooks. With over 60,000 titles, this site provides a wealth of classic literature in the public domain.

Open Library

Open Library aims to have a webpage for every book ever published. It offers millions of free ebooks, making it a fantastic resource for readers.

Google Books

Google Books allows users to search and preview millions of books from libraries and publishers worldwide. While not all books are available for free, many are.

ManyBooks

ManyBooks offers a large selection of free ebooks in various genres. The site is user-friendly and offers books in multiple formats.

BookBoon

BookBoon specializes in free textbooks and business books, making it an excellent resource for students and professionals.

How to Download Ebooks Safely

Downloading ebooks safely is crucial to avoid pirated content and protect your devices.

Avoiding Pirated Content

Stick to reputable sites to ensure you're not downloading pirated content. Pirated ebooks not only harm authors and publishers but can also pose security risks.

Ensuring Device Safety

Always use antivirus software and keep your devices updated to protect against malware that can be hidden in downloaded files.

Legal Considerations

Be aware of the legal considerations when downloading ebooks. Ensure the site has the right to distribute the book and that you're not violating copyright laws.

Using Free Ebook Sites for Education

Free ebook sites are invaluable for educational purposes.

Academic Resources

Sites like Project Gutenberg and Open Library offer numerous academic resources, including textbooks and scholarly articles.

Learning New Skills

You can also find books on various skills, from cooking to programming, making these sites great for personal development.

Supporting Homeschooling

For homeschooling parents, free ebook sites provide a wealth of educational materials for different grade levels and subjects.

Genres Available on Free Ebook Sites

The diversity of genres available on free ebook sites ensures there's something for everyone.

Fiction

From timeless classics to contemporary bestsellers, the fiction section is brimming with options.

Non-Fiction

Non-fiction enthusiasts can find biographies, self-help books, historical texts, and more.

Textbooks

Students can access textbooks on a wide range of subjects, helping reduce the financial burden of education.

Children's Books

Parents and teachers can find a plethora of children's books, from picture books to young adult novels.

Accessibility Features of Ebook Sites

Ebook sites often come with features that enhance accessibility.

Audiobook Options

Many sites offer audiobooks, which are great for those who prefer listening to reading.

Adjustable Font Sizes

You can adjust the font size to suit your reading comfort, making it easier for those with visual impairments.

Text-to-Speech Capabilities

Text-to-speech features can convert written text into audio, providing an alternative way to enjoy books.

Tips for Maximizing Your Ebook Experience

To make the most out of your ebook reading experience, consider these tips.

Choosing the Right Device

Whether it's a tablet, an e-reader, or a smartphone, choose a device that offers a comfortable reading experience for you.

Organizing Your Ebook Library

Use tools and apps to organize your ebook collection, making it easy to find and access your favorite titles.

Syncing Across Devices

Many ebook platforms allow you to sync your library across multiple devices, so you can pick up right where you left off, no matter which device you're using.

Challenges and Limitations

Despite the benefits, free ebook sites come with challenges and limitations.

Quality and Availability of Titles

Not all books are available for free, and sometimes the quality of the digital copy can be poor.

Digital Rights Management (DRM)

DRM can restrict how you use the ebooks you download, limiting sharing and transferring between devices.

Internet Dependency

Accessing and downloading ebooks requires an internet connection, which can be a limitation in areas with poor connectivity.

Future of Free Ebook Sites

The future looks promising for free ebook sites as technology continues to advance.

Technological Advances

Improvements in technology will likely make accessing and reading ebooks even more seamless and enjoyable.

Expanding Access

Efforts to expand internet access globally will help more people benefit from free ebook sites.

Role in Education

As educational resources become more digitized, free ebook sites will play an increasingly vital role in learning.

Conclusion

In summary, free ebook sites offer an incredible opportunity to access a wide range of books without the financial burden. They are invaluable resources for readers of all ages and interests, providing educational materials, entertainment, and accessibility features. So why not explore these sites and discover the wealth of knowledge they offer?

FAQs

Are free ebook sites legal? Yes, most free ebook sites are legal. They typically offer books that are in the public domain or have the rights to distribute them. How do I know if an ebook site is safe? Stick to well-known and reputable sites like Project Gutenberg, Open Library, and Google Books. Check reviews and ensure the site has proper security measures. Can I download ebooks to any device? Most free ebook sites offer downloads in multiple formats, making them compatible with various devices like e-readers, tablets, and smartphones. Do free ebook sites offer audiobooks? Many free ebook sites offer audiobooks, which are perfect for those who prefer listening to their books. How can I support authors if I use free ebook sites? You can support authors by purchasing their books when possible, leaving reviews, and sharing their work with others.
