the united states is destroying itself from the inside out the corruption of america is a kind of moral decay a kind of greed a kind of desperate grasp for power and it s destroying our nation these corruptions do not need to exist if individual americans take it upon themselves to become bettercitizens act with rational self interest and reject the ethos of gettingyours we can correct these corruptions that s why stansberry research founder porter stansberry publishedamerica 2020 the survival blueprint many are referring to it as themost valuable book in america i love the book it is so clear and concise though i have studied a bitabout the smartest way to survive what is coming this put all the bestideas together in one place my hat is off to you guys j r absolutely excellent book i need to buy another 12 for my familyand friends k b i read it the first day i had it it is a great book that explains ourcurrent situation simply and very accurately i intend to continue to use this book as a guide for investing and i will recommend it to my familyand friends l r this is a story all americans should know about i don t usually buythings off the internet but i am extremely glad that i made an exception inthis case c r

in a book written by women for women street smart safety for women offers tips on defensive living that will increase readers reliance on the one thing that can protect them most their safety intuition violence against women is a global health issue the threats women face today are unparalleled and more dangerous than ever before and for the first time in history the toxic cocktail of technology and social media has weaponized misogyny and virtualized violence against women there s an even more serious challenge that faces women today social conditioning the way our systems of family life education employment entertainment and pop culture spirituality and religion influence us leaves many of us ill equipped to deal not only with this

escalating surge of attacks but also the unrelenting prevalence of sexual assault domestic violence and scams women have been culturally trained to discount one of their greatest protections safety intuition as women it is so ingrained in us to attend to everyone else including strangers on the street before we listen to ourselves that we have lost touch with our innate ability to often detect dangerous situations as the result we are left generally defenseless to recognize predators who manipulate our natural compassion to our own detriment this inability to listen to ourselves and be persuasion proof directly affects our personal safety and data shows that attacks on women continue to escalate daily across the world inside and outside of the home though everyone is talking about how women continue to be less safe few offer solutions women are terrified and they are looking for answers in street smart safety for women retired deputy sheriff joy farrow and technologist laura frombach herself a survivor of a violent household draw on their experiences both personal and professional to provide those answers dedicated to educating women in personal safety and showing them a defensive living strategy and trusting in themselves can reduce their probability of becoming a victim of a crime chapter 1 design for defensive living chapter 2 technology terror chapter 3 can you recognize a predator chapter 4 persuasion manipulation or more chapter 5 dating diligence chapter 6 what do victims of domestic abuse have in common with korean war pows chapter 7 financial security is key to your safety chapter 8 tips from a female cop chapter 9 shams scams and cons chapter 10 women and weapons chapter 11 from victim to victor
