winner of the 2025 aejmc knudson latin america prize as a young journalist at the brazil herald from 1979 81 stephen g bloom spent his early professional years working in rio s seedy lapa district surrounded by fugitives drug runners pornographers and stealth cia agents bloom shares the wild story of this english language newspaper in the brazil chronicles the expat newspaper was a breeding ground for a different kind of storyteller audacious risk takers who told madcap tales of amazon plantations confederate emigres and lost indian tribes several renown journalists cut their teeth at the brazil herald including acclaimed new york times correspondent tad szulc huffington post ceo eric hippeau and an untamed

gonzo reporter by the name of hunter s thompson drawing from extensive archival research and more than 150 interviews with his former colleagues bloom s eye opening narrative dive is both entertaining and academically rigorous with a backdrop of coups nonstop political instability censorship hyper inflation and weekends at sultry ipanema beach the brazil chronicles doubles as a coming of age memoir following young bloom as he embarks on his quest to become a foreign correspondent relocating to a foreign country to pursue under the radar stories and tall tales his firsthand experience provides an insider eye witness account of the newspaper s colorful history transporting the reader to its sweltering newsroom and delving into the multifarious lives of its eclectic trailblazing polyglot staff even as bloom weaves between personal narrative history and accounts from journalism luminaries it s clear who the book s main character is the one of a kind newspaper itself

from 1961 to 1989 a committed group of documentary journalists from the national broadcasting company nbc reported the stories of america's overseas conflicts stuart schulberg supplied film evidence to prosecute nazi war criminals and established documentary units in postwar berlin and paris nbc newsman david brinkley created the template for prime time news in 1961 and bore the scars to prove it in 1964 ted yates and bob rogers produced a documentary warning of the pitfalls in vietnam yates was later shot and killed in jerusalem on the first day of the six day war while producing a documentary for nbc news in into the fray tom mascaro vividly recounts the characters and experiences that helped create a unique colorful documentary film crew based at the washington bureau of nbc news from the kennedy era through the reagan years the journalists covered wars rebellions the central intelligence agency covert actions the pentagon military preparedness and world and american cultures they braved conflicts and crises to tell the stories that americans needed to see and hear and in the process they changed the face of journalism mascaro also looks at the social changes in and around the unit itself including the struggles and triumphs of women and african americans in the field of television documentary into the fray is the story of adventure loyalty to reason and life and death in the service of broadcast journalism

one promoted goat gland transplants as a remedy for lost virility or infertility another blamed aluminum cooking utensils for causing cancer the third was targeted by the food and drug administration as public enemy number one for his worthless cures john brinkley norman baker and harry hoxsey were the ultimate snake oil salesmen of the twentieth century with backgrounds in lowbrow performance carnivals vaudeville night clubs each of these charismatic con men used the emerging power of radio to hawk alternative cures in the midwest beginning in the roaring twenties through the depression era and into the 1950s all scorned the medical establishment for avarice while amassing considerable fortunes of their own and although the american medical association castigated them for preying on the ignorant this book shows that the case against them wasn t all that simple quacks and crusaders is an entertaining and revealing look at the connections between fraudulent medicine and populist rhetoric in middle america eric juhnke examines the careers of these three personalities to paint a vision of medicine that championed average americans denounced elitism and affirmed rustic values all appealed to the common man winning audiences and patrons in rural america by casting their

pitches in everyday language and their messages proved more potent than their medicines in treating the fears insecurities and failing health of their numerous supporters juhnke first examines the career of each man revealing their geniuses as businessmen and propagandists with such success that brinkley and baker ran for governor of their states and hoxsey had thousands of supporters protest his persecution by the fda juhnke then investigates the identity motives and willingness to believe of their many patients and followers he shows how all three men used populist rhetoric evangelical anti communist anti intellectual to attract their clients and then how their particular brand of populism sometimes mutated to anti semitism and other sentiments of the radical right by treating the incurable brinkley baker and hoxsey took on the mantles of common folk crusaders brinkley was idolized for his goat gland cures until his death and hoxsey s former head nurse continued his work from tijuana until her death in 1999 in considering who visits quacks and why juhnke has shed new light not only on the ongoing battle between alternative and organized medicine but also on the persistence of quackery and gullibility in american culture

this volume collects twelve chapters that present the multifaceted responses to the works of the william of ockham in oxford paris italy and at the papal court in avignon in the 14th century and it assembles contributions on philosophers and theologians who all have criticized ockham s works at different points in individual case studies it gives an exemplary overview over the reactions the venerable inceptor has provoked and also serves to better understand ockham s thought in its historical context the topics range from ontology psychology theory of cognition epistemology and natural science to ethics and political philosophy this volume demonstrates that the reactions to ockham s philosophy and theology were manifold but one particular kind of reception is missing unanimous approval contributors include fabrizio amerini stephen f brown nathaniel bulthuis stefano caroti laurent cesalli alessandro d conti thomas dewender isabel iribarren isabelle mandrella aurélien robert christian rode and sonja schierbaum
