Discover how to help your child fall asleep every night as you bond with them using bedtime stories. Welcome to the bedtime stories revolution. Here at Meditation Made Effortless, we have made it our mission to create the bedtime stories revolution and help parents and kids enjoy a daily bedtime story before sleep. Why we strongly believe in the power of bedtime stories for several reasons: firstly, bedtime stories help children sleep, which has become an issue for many children in this tech-fueled society. Bedtime stories can become a part of your child's nightly routine to help them relax and develop healthy sleep habits. Sleep is essential to your child's development. Adequate amounts of sleep lead to improved attention, behavior, learning, memory, quality of life, mental health. Bedtime stories are about much more than just sleep. Though they allow you and your child to deeply connect at the end of each day, a time your child will cherish for years to come, and then we have the vast amount of benefits children get as a result of listening to or being read. You get the PDF version of this audiobook with every purchase. A bedtime story every night. Study after study has shown how bedtime stories help improve children's well-being, learning potential, creativity, boost child-parent bonding, make them happier than scrolling on their iPad, inspire children to become amazing creators. So now you know why we are doing this. Here's a slither of what's inside this collection, and so much more. So if you want to bond deeply with your child every night while helping them get the healing sleep they need, then scroll up and click add to cart.

a collection of bedtime stories from nursery rhymes to stories, fables, proverbs, and bible stories.

Introducing over 5 hours worth of bedtime stories to help your child fall asleep effortlessly every single night and deepen your bond at the same time. Welcome to the bedtime stories revolution. I have made it my mission to get as many parents and their children listening to and reading with the free bonus PDF that accompanies your purchase. Bedtime stories as part of their bedtime routine. Why am I doing this? Because for some reason, the activity of bedtime stories has been slowly fading in recent years. What we aim to do is help parents and children connect each and every night through the power of storytelling. Young children cherish every moment they get to spend with their parents, and every time you make the effort to listen to or read a bedtime story.

together be sure to know that your child appreciates every single second of the experience your presence alone will help your child feel calm and help them relax in our tech fueled society not to mention the healthy sleep habits you will help install in your child however we understand that sometimes you may not be able to be there with your child which is why these stories have been narrated so that your child can listen and fall asleep to them alone when necessary while receiving universal life lessons of course oh and we haven't even mentioned the endless scientific studies showing benefits such as improved learning potential concentration focus creativity and even improved mental health don't you think it's about time you your child enjoyed a bedtime story together each and every night anyways here's a tiny preview of what's inside over 5 hours worth of bedtime stories to help your child fall asleep effortlessly stories to help improve your child's creative potential deepen the connection between parent and child with fun stories you will both be excited to enjoy together improved concentration and focus levels through developing true mindfulness reducing nighttime stimulation screen time experiencing deep relaxation come bedtime instead of hyperactivity resistance to sleep and so much more so if you want over 5 hours of bedtime stories to help your child relax deeply fall asleep with ease scroll up and click add to cart

it's time to snuggle up with your child every single night as they drift off into a deep sleep with this relaxing 10 hour collection of bedtime stories does your child often struggle falling asleep at night do they have difficulty relaxing in our tech fueled world do you want to enhance your child's creativity imagination improve their vocabulary and develop their mindfulness in bedtime stories for kids collection magicians dinosaurs aliens dragons more you'll discover wildly interesting stories memorable characters that will help teach your child life lessons as the deeply relaxing story allows them to drift off into a healing sleep not only that but each and every story will help express your child's imagination and express their untapped creativity in all areas of their life it is also the best way to help deepen your bond with your child and studies have constantly shown improved logic skills reading abilities vocabulary range even reduced stress levels for children who listen to bedtime stories on a regular basis and each story has been tailored towards toddlers and pre adolescent children meaning all 10 hours are 100 kid friendly we've also made sure the stories are suitable for both boys and girls oh and this audiobook is simply a must in any families audio book library but can also be used by your child alone for when you are unable to read to them and if you fancy reading instead of listening simply use the pdf attached with every purchase even if your child currently wakes up 20 times a night takes hours to even calm down enough for sleep you've never read a bedtime story to them before this relaxing collection of 10 hours worth of bedtime stories is ideal for helping your child get the healing sleep they need every night so if you want over 10 hours worth of bedtime stories to help your child fall asleep every single night while spending quality time together then scroll up and click add to cart

if your child constantly has trouble falling asleep at night can never seem to truly relax then keep

reading unfortunately living in our modern tech connected society has had some negative impacts not just on ourselves but on our children as well growing up constantly surrounded by harmful screens and technology has meant things like human connection focus mental health sleep has been drastically effected but it doesn't have to be like that for your child in fact teaching children healthy sleep habits from a young age is crucial to a happy and healthy life long term sleep is absolutely key to a happy and fulfilling life without it it can be hard to get almost anything done we've all been there it's even more essential for our child's development and progression 3 5 year olds should be getting 10 13 hours of sleep 6 12 year olds around 9 12 hours per 24 hour cycle to promote optimal health development studies constantly show optimal sleep leads to improved attention learning ability potential memory quality of life and even better mental health in children that's where this 10 hour collection of deeply relaxing bedtime stories comes in by listening to or reading with the accompanying pdf you get with your purchase these stories with your child before sleep you are helping build a sleep routine in their life while bonding with your child simultaneously not only are you helping them sleep you are helping them develop a bedtime routine habit that will lead to a lifetime of healthy sleep habits oh and studies have also shown bedtime stories also help rewire children's brains to improve their mastery of language helps accelerate development way beyond their years massively supercharges creativity expands their imagination to incredible heights deepens the connection between parent and child allows your child to look forward to bedtime and associate it with quality time spent together improves concentration focus levels while developing mindfulness from a young age and so much more so if you want to spend quality time with your child every single night that helps them fall asleep effortlessly develop healthy nighttime habits then scroll up and click add to cart

end your day with a snuggle this collection of bedtime stories for kids are the perfect relaxing way for you your child to wind down relax does your child constantly struggle falling asleep are you looking for an educational fun collection of bedtime stories for your child do you want to help your child relax develop healthy sleep habits and improve their vocabulary listening skills if yes then you have certainly come to the right place you your child are invited to the bedtime stories revolution in bedtime stories for kids mindfulness edition book 1 you're going to discover the first installment of our bedtime stories collection which is designed solely to get children parents falling in love with bedtime stories once again also with every purchase you get the pdf version of the stories if you'd prefer to read the stories together instead of listening and for those nights you are unable to listen together your child can still have the pleasure of listening to their bedtime story each unique story has its own special setting and unique characters along with a story that will not only help entertain relax your child but that will help them learn important life lessons along the way want more could you want from a story oh and of course each story will help teach your child about the incredible gift of mindfulness and install the habit of living here and now in an age where everyone seems to be anywhere but here bedtime stories for kid mindfulness edition book 1 is suitable for all genders and is the perfect
