crochet can look a lot harder than it is and if you know what you're doing it's really not that hard to do. Bavarian crochet is one of these stitches; it looks hard to achieve, it creates beautiful patterns, and the stitch itself is gorgeous, but unless you know what you're doing, it can seem impossible. That's where this book comes in. In it, I am going to show you the secret to Bavarian crochet and exactly what you need to do to accomplish this elaborate little stitch. You don't need anything but some yarn, a crochet hook, and some time, and you can learn exactly what you need to do to make this intricate pattern. But I didn't stop there. In addition to the Bavarian stitch, I am going to teach you. I have also included 7 different patterns for you to use to get started with this stitch, all as easy as the stitch itself. So what are you waiting for? You know you've loved this stitch for a long time, and you've been dreaming of the day when you finally got to make it yourself, and now you can. This book is going to take the guesswork out of the craftwork, and in no time at all, you will have mastered this incredible stitch.
