the extraordinary photographs of aircraft personnel and facilities set this book apart the journal of the air force historical foundation immediately following the end of the first world war the air force of the newly formed southern slav state the kingdom of serbs croats and slovenes was forced to rely mainly on war time serbian air service aircraft and material left after the withdrawal of the french armée de l air from the balkans in 1919 1920 this equipment was supported by the addition of french war surplus stocks which started arriving in 1921 in 1929 the monarchy changed its name to the kingdom of yugoslavia then from 1930 the official name of the air service branch its military was changed to what is commonly known in the west as the royal yugoslav air force ryaf the obsolete first world war aircraft were replaced from 1925 onwards by stop gap solutions purchased mainly from france some from the czechoslovakian republic as well as from the first domestic factories from 1936 the ryaf again began to reorganize and modernize with the purchase of the most modern aircraft available at that time these aircraft were imported from the uk germany and italy some being built under license in domestic factories during this period the kingdom of yugoslavia succeeded as much as conditions allowed to equip its air force with the most advanced fighter and bomber types of the period for the kingdom of yugoslavia the second world war started on 6 april 1941 the military coup d etat of 27 march 1941 and anti german

demonstrations in belgrade clearly aligned the kingdom with the allies that same day hitler ordered the implementation of unternehmen 25 operation 25 the attack against kingdom of yugoslavia hitler had also secured mussolini s support for this campaign while hungary romania and bulgaria gave active or passive backing in exchange for territorial claims in yugoslavia despite all the odds the airmen of the ryaf fought gallantly in the defense of their homeland with fighters taking on the german and italian bombers and their escort fighters including the axis types in service with the ryaf eventually due to the deteriorating situation on the front and the ever increasing risk of the king and his government being captured the decision was taken to evacuate by air to greece in the summer of the 1941 some 220 yugoslav aviators gathered in egypt and continued the fight against axis this time in the colors of the raf this is the full story of their service and combats in the early months of that year

of the many medical specializations to transform themselves during the rise of national socialism anatomy has received relatively little attention from historians while politics and racial laws drove many anatomists from the profession most who remained joined the nazi party and some helped to develop the scientific basis for its racist dogma as historian and anatomist sabine hildebrandt reveals however their complicity with the nazi state went beyond the merely ideological they progressed through gradual stages of ethical transgression turning increasingly to victims of the regime for body procurement as the traditional model of working with bodies of the deceased gave way in some cases to a new paradigm of experimentation with the future dead

this is the first major study of germany s wartime helicopters in the english language and is the result of 15 years research the book includes more than 350 stunning and rare photographs most appearing in print for the first time alongside the narrative the book includes first hand accounts and the illustrations are supplemented by superb technical drawings

runner up 2025 ajha book award american journalism historians association after the nazis came to power in germany in 1933 the associated press ap brought news about life under the third reich to tens of millions of american readers the ap was america s most important source for foreign news but to continue reporting under the nazi regime the agency made both journalistic and moral compromises its reporters and photographers in berlin endured onerous censorship complied with anti semitic edicts and faced accusations of spreading pro nazi propaganda yet despite restrictions pressures and concessions ap s berlin newshawks provided more than a thousand u s newspapers with extensive coverage of the nazi

campaigns to conquer europe and annihilate the continent s jews newshawks in berlin reveals how the associated press covered nazi germany from its earliest days through the aftermath of world war ii larry heinzerling and randy herschaft accessed previously classified government documents plumbed diary entries letters and memos and reviewed thousands of published stories and photos to examine what the ap reported and what it left out their research uncovers fierce internal debates about how to report in a dictatorship and it reveals decisions that sometimes prioritized business ambitions over journalistic ethics the book also documents the ap s coverage of the holocaust and its unveiling featuring comprehensive research and a memorable cast of characters this book illuminates how the dilemmas of reporting on nazi germany remain familiar for journalists reporting on authoritarian regimes today
